Debbie,

I am going to write on this page because it will always be the first thing you turn to when you open this book. I have learned and experienced so much that it is hard to know how to begin, but let me say that since I've been a Christian for twelve years, I have never felt closer to Christ or needed Christ more than in these past two years at Hoover. He put me in so many different situations and taught me so many things, and never forget that no matter what happens if you are right with God then you know that he is doing it for your own good as a Christian, even though it doesn't seem like it sometimes. It really hurts me when I think about you and your life and all the things you've gone through, I don't know if anybody could take what you have, and I know it is all because you have had Christ there. I've told you this before and I will tell you again, <u>don't</u> ever feel guilty about what has happened in the past because you know Christ has forgiven you and there is nothing you can do about the past. You've got so much going for you, I really want to see you grow in Christ so much that your life is gonna overflow and you won't be able to contain all the joy! You've done a lot for me, I don't think that anybody else could have really comforted me like you did when Susan and I broke up. It still hurts me a little because she just doesn't talk to me, but I have asked God to forgive me for holding any grudge against her and He has helped me. I love the way you listen to what I have to say (It makes me fell kind of important) and I love doing things with you because you are so active. I think you are a fantastic sewer and embroiderer, you really have a talent. I have never met a girl whose personality is so well rounded like yours, I get along with you so good. Always be praying for me, because I need a lot of it. You have helped me so much to draw closer to God, and I want to have you near always. I know that you can make no promises and I probably can't, but while we are together lets make the most of it. I hope things work out and lets not ever put each other above Christ. I love you very, very much and always will,

Love,

David Aguistaxo

Debi

I can't wait untill next year I hope and pray that its Gods will(that is the plans we made.) God has plans for us Debi and I hope we both find what they are at the right time.

Debi we think its bad what we're going through now but think of what it would be like if we weren't Christians (children of God) I'm really glad you got to chair Dave's love I think its help you a lot. I pray that you stay in the word and remember it, grow in it, and learn in it.

Debi remember that I'm with you in the good times and especially in the bad. There so much more I want to write but I'm ran out of room.

Love of the Lord

activities

Along with the traditional and annual events held at Hoover such as the Christmas Formal and Homecoming Week, many new activities were added to the calendar this year. Class Competition, held during the beginning of school, had each class involved in trying to out-do the others and prove they had the most spirit. A different nationality was honored each day during International Week with appropriate music and food for each culture. Besides the activities, Hoover had many fine vocal and instrumental music groups including the Madrigals, Stage Band, Chorus, Orchestra, and the Patriot Marching Band. The auxiliary and pep groups also did a great job in boosting spirit at the games.

pride of the san joaquin . . .
. . . hoover's patriot marching band

Once again, Hoover High School produced a great marching band directed by Mr. Harry Buyuklian. Besides putting on a spectacular half-time show each week, the band won many awards in parades and other competitions. Some of these were: the Sweepstakes award at Madera, first places at Selma and Caruthers, second places in the Veterans' Day and Mexican Day parades, and a third place in the Merced Band Review.

Let's hear it for Pate Spirit

We are very proud of our 1973-74 cheerleaders. They competed in state-wide competitions and placed first at the National Cheerleading Association involving almost 1,000 girls. At all Hoover football and basketball games the cheerleaders brought excitement and spirit throughout the evenings. They have done various spirit filled activities throughout the year.

hit the Blues

The stage band is made up of the most talented and skilled students in the band section of the music department. They dealt with the jazz sounds of 1974. The stage band performed before Eaton, Holland, Walters, and Robinson Elementary Schools to reflect their talents to the children so that the youths will grow an interest and involve themselves in the musical field. The Valley Festival was held in Visalia in which they competed against the other winning cities of the valley. They also performed in the talent show this year.

String Up the Tunes

This winter in Hoover High's cafeteria the orchestra held a winter Concert which was the first concert to start off the bright new year. They were accompanied by the Madrigals and Girls Ensemble. Next was the Messiah which was held around the Christmas season to rejoice the birth of Christ. The Chorus joined in with the entertainment, also. Hoover's orchestra had the pleasure to be the guest of honor at the Mid Winter City School Music Festival which was held at the Convention Center this year. In spring the orchestra also participated in a Music Festival which was held at Roosevelt High. The school's play this year was "South Pacific" which was held in May. The orchestra certainly displayed their talents to the best of their ability.

Nationalities Unite

Fortune cookies, cornbread and beans, and good ol' Mom's homemade apple pie were the results of International Week. Students and teachers involved themselves with dances and plays of far away places and enjoyed every minute.

Below: Plays were one of the Highlights of Black Day.
Middle left: Fortune cookies were sold at lunch time by the girls.
Bottom left: International Week strikes a smile on the face of Wolgang Meiner, one of Hoover's 1974 foreign exchange students.

Sometimes in Winter

Sometimes in Winter, was the theme of this year's Christmas Formal. The couples danced to the music of March Hare. Twilight enhanced the atmosphere with starlight and blue skies. The essence of this year's Christmas Formal touched the spirit of romance in all. The softened music brought the couples out on to the dance floor to engage in the sounds of Chicago and Tower of Power. Nancy Steinmetz was crowned Christmas Formal Queen along with, Debbie Moore; senior attendant, Paula Mueller; junior attendant, Lyn Little; sophomore attendant.

During the holidays the clubs of Hoover participated in decorating a window for Christmas. The Chorus window took first place for traditional and Cheer took first place in humorous.

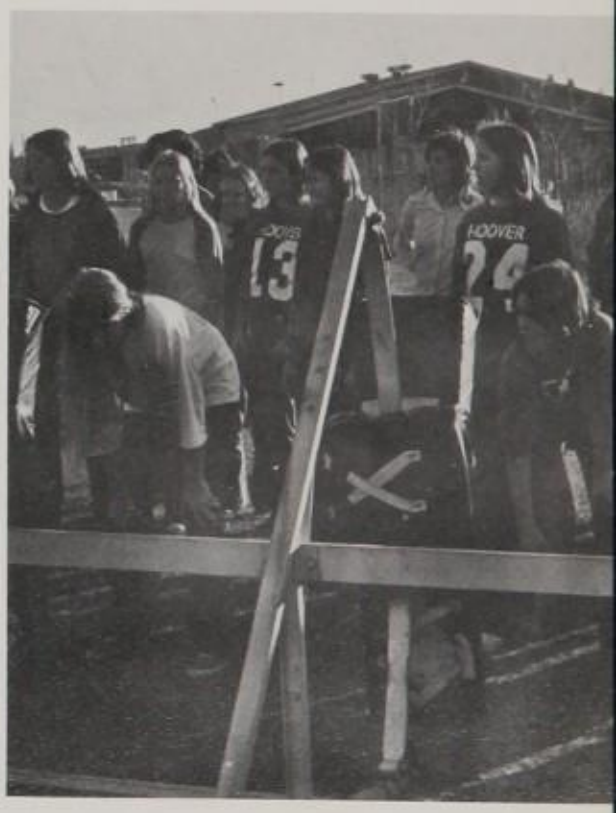
Patriot Powderpuff



Campus Life sponsored a girls' football team at Hoover this year called "Powder Puff." Some of Hoover's football players participated in coaching the Powder Puffs after school. On December first they competed in an all day carnival against 18 other schools in the valley in which they placed second.

sports

The student body backed their athletic teams very devotedly this year and they had a good reason to be proud of them. This was a big year for Hoover in sports. Many of the teams were at the top of the list in their final standings. The football team, for the first time in seven years, captured the N.Y.L. title. Girls' volleyball was also "number one." New varsity letter sports this year included water polo and soccer. Both of these teams did a very good job. A new ruling this year stated that nobody could be discriminated against in participating in any varsity sport because of their sex. The girls took advantage of this and proved themselves.

We're Number One ! ! !

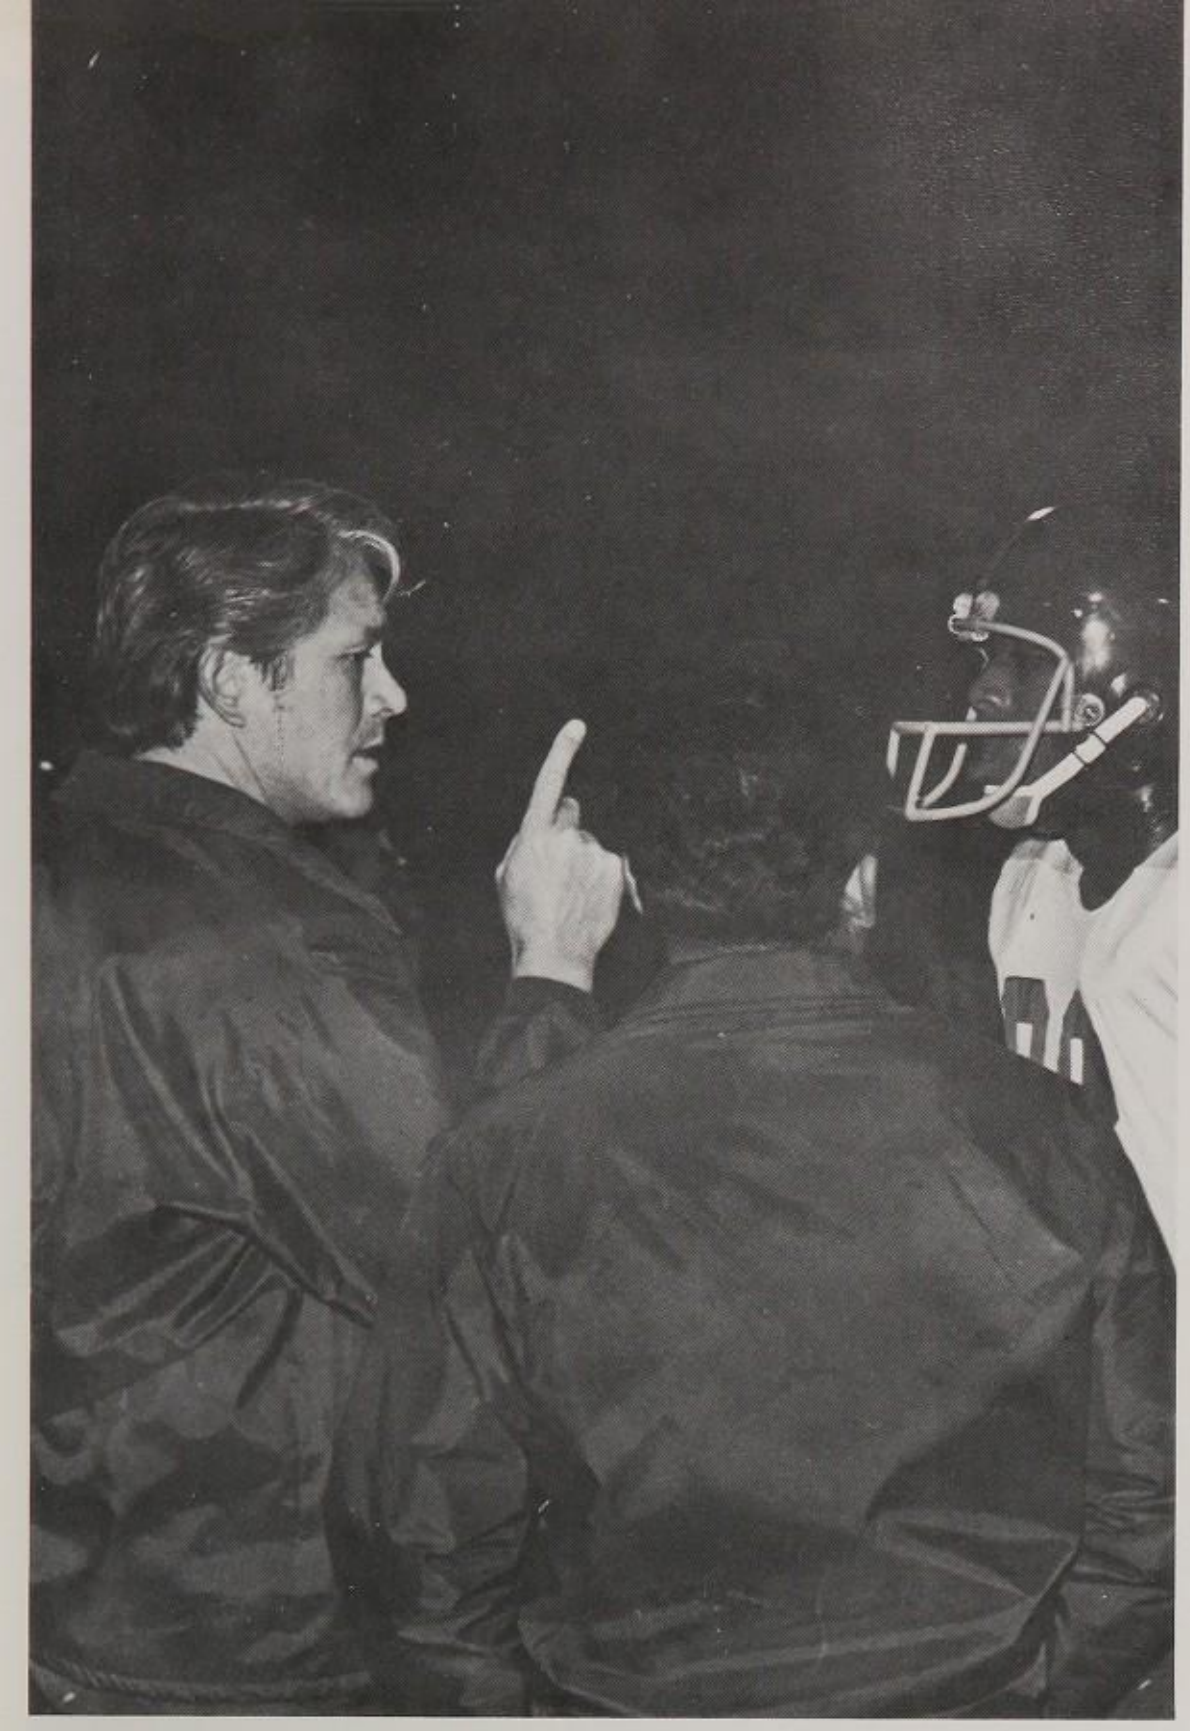
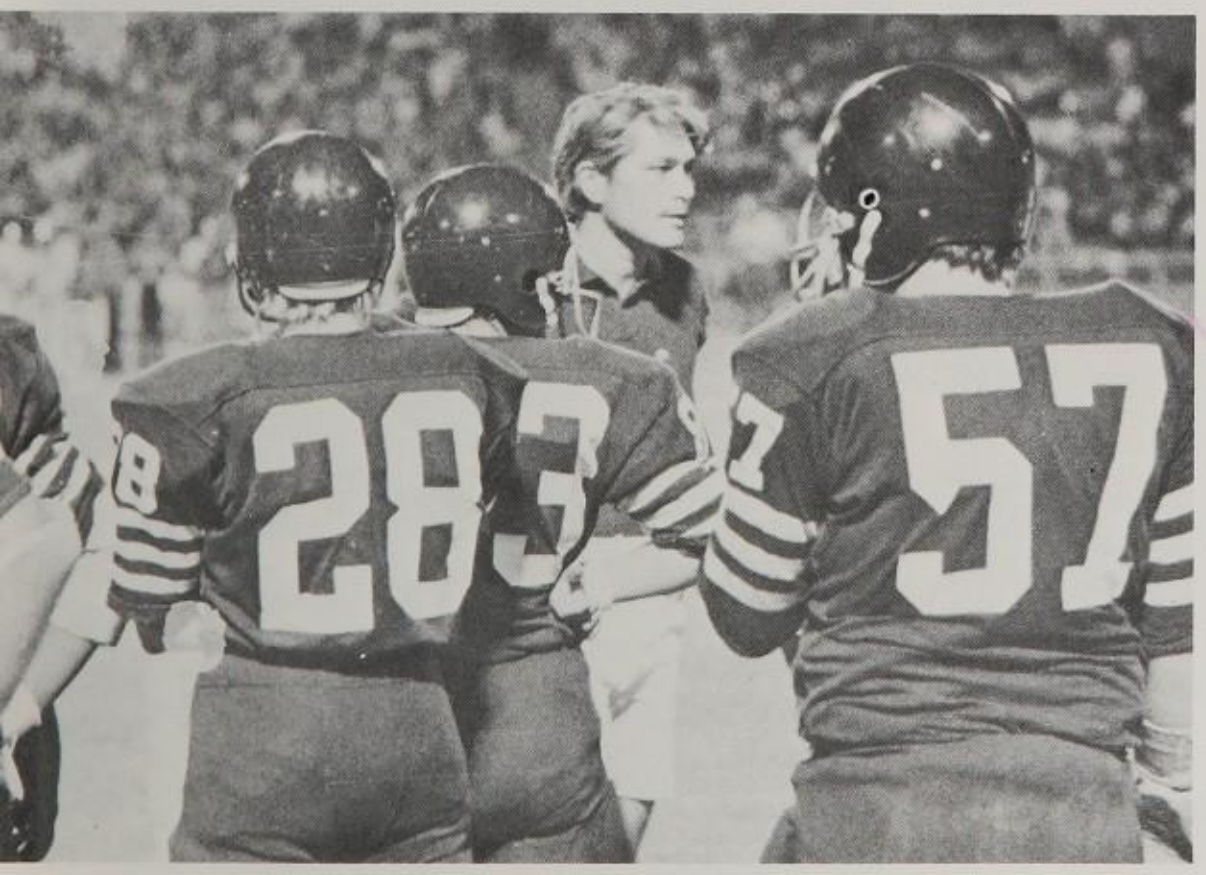
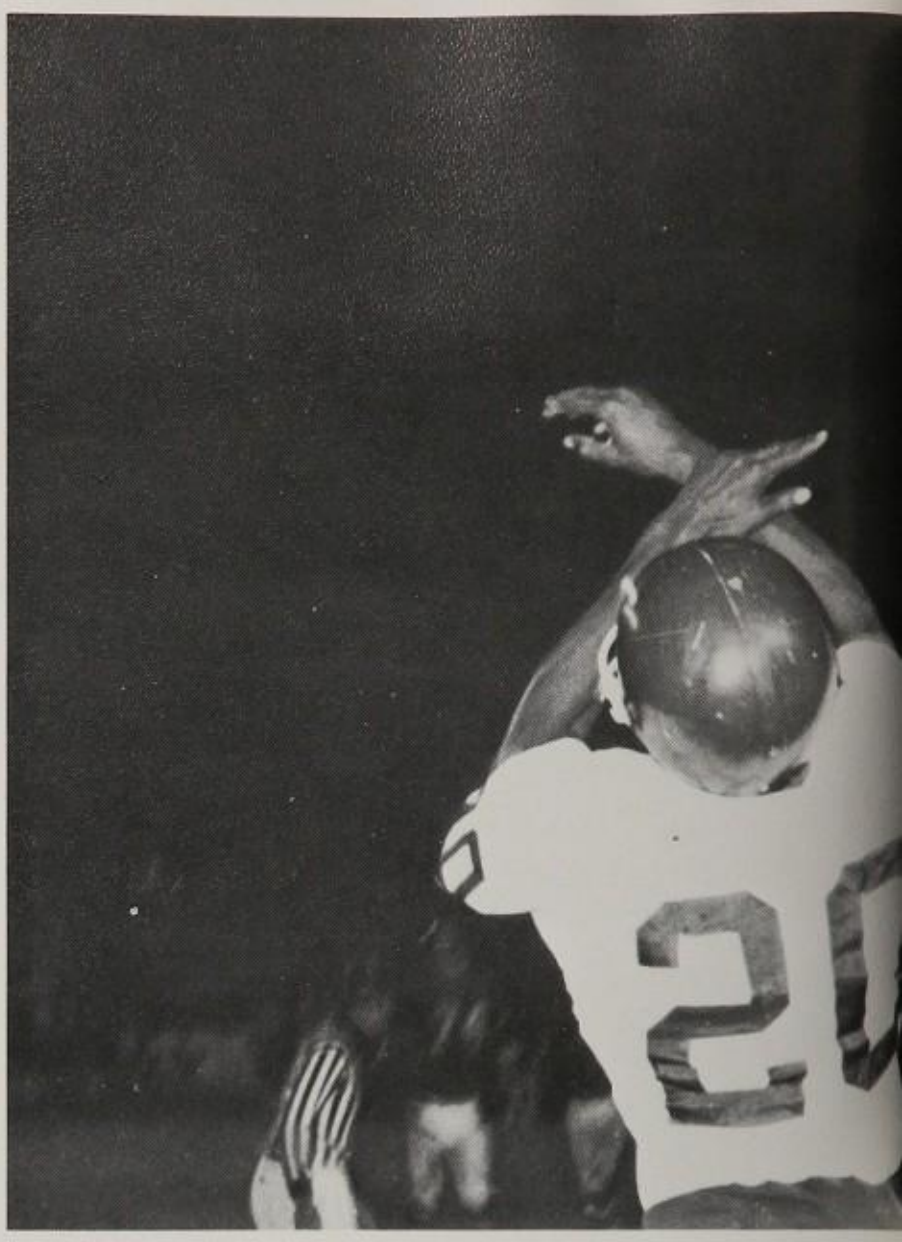
Unpictured: Loren Braun, Gary Gonzales, Andre Hardaman, Micky Culver, Ed Ogle, Brian Allen.



This year's NYL Champions didn't come by accident. It has taken years of practice and hard work, but mainly it has taken individuals working together as a team. Individuals like player of the year, lineman of the year, Winner of the Harry Coffee Blanket, James Lamar, Keith Dayton who ran 1098 yards breaking six school records, kicking specialists Vince Petrucci, who kicked nine field goals this season. This earned him a position on the All-Metro team making him the only player ever to make the team for that specialty, and for the six men that made the team with him. We must not forget Coach of the year, Jon Anabo, he's waited a long time for this team, but it was worth it.



Pates take n.y.l.!.



Hoover Pates had a great season. The sports banquet gave recognition to the team. Jim Longstaff recieved KYNO lineman award. And Keith Dayton recieved KYNO back award.

Dottie,
I only wish
that you would have
enjoyed history more—
or maybe it was the
teacher. I always felt
that you hated to come to
this class and somehow I
always felt it was my fault.
Good luck

Volleyball Wins!

This year's volleyball teams were very successful. There were three teams- the C team, J.V. team, and the Varsity team. These girls practiced every morning, and their practice proved rewarding. Both the J.V. and Varsity teams placed second in N.Y.L. The Varsity went on to take second also in the valley. Michelle Beverage was the Varsity team captain, and Jenny Allen was captain for the J.V. team. Carolyn Dunbar received a special award for outstanding player.

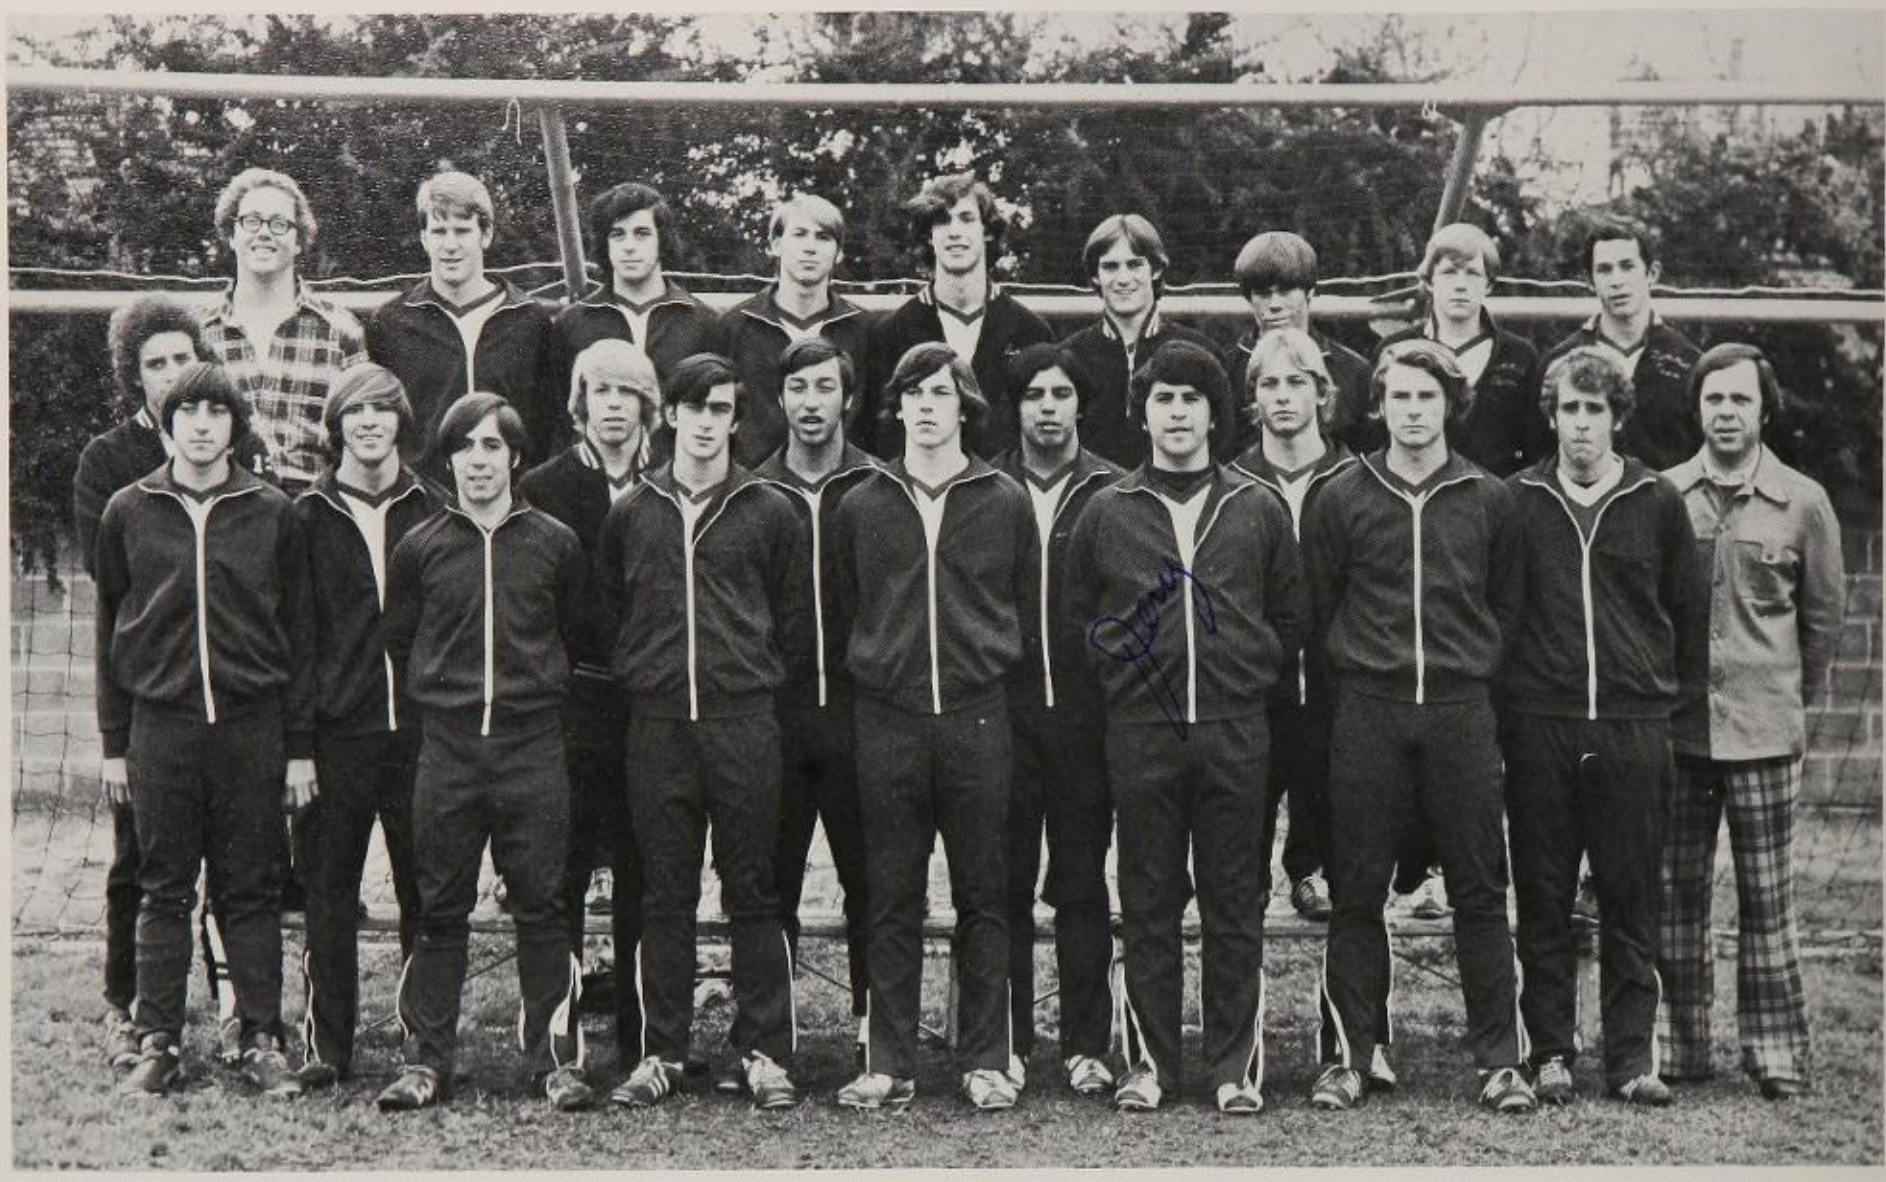
Hoover Takes Valley!



This is the first year that soccer has been a lettered sport. Hoover started their season running, and ended with a 14-0 record. Towards the end of the season, Mike Wofford was seriously injured, but Hoover played on. Six team members were selected from Hoover for the All-Star team. The sports banquet honored the soccer team; Pat Gish was the outstanding player and Rick Culver received the coach's award. Leading scorers were Pat Gish, Don Pardo, and Mike Wofford. Outstanding defensive players were Jerry Magdaleno, Rick Culver, Bob Hostmyer, and, lead by goalie, Hal Busick. Congratulations team, Coach Neil Smith, and Manager Sam VanDussen!

Swim Team Plunges In

Hoover's swim team plunged into a great season with strong wins over Reedley, Hanford, Lemoore, Roosevelt, and Bullard, with very good possibilities of taking Valley.

The Girls' team was led by Junior Heather Greenwood. Heather went to Germany at the beginning of the season and came back with two world records. Heather wasn't the only winner on the team, though. This was shown by the win over Lemoore while she was away. Other leaders were Becky Stephens, and Crunchy Cramer.

CLUBS

Anyone attending Hoover High School could have found an organization to suit him this year. There were clubs for assisting the handicapped and others less fortunate than ourselves, clubs for learning and looking into the students' futures, and clubs for just plain fun. All of them were very active. They raised money for their needs by sponsoring dances, having car washes and bake sales, and by putting on several of the activities for the student body.

Intellectual Stars-C.S.f.

The California Scholastic Federation is a Club that wishes to promote higher standards of scholarship. Membership is on a per semester basis and students are urged to join if they can. In order to become a life member, a student must have four semesters of membership with one in the senior year. Life members receive a gold seal on their diploma and gold ropes for their gowns at graduation. The club also has an annual trip. This year's club went to San Francisco for a day. The sponsors of C.S.F. are Miss Eidson and Mrs. Mertens.

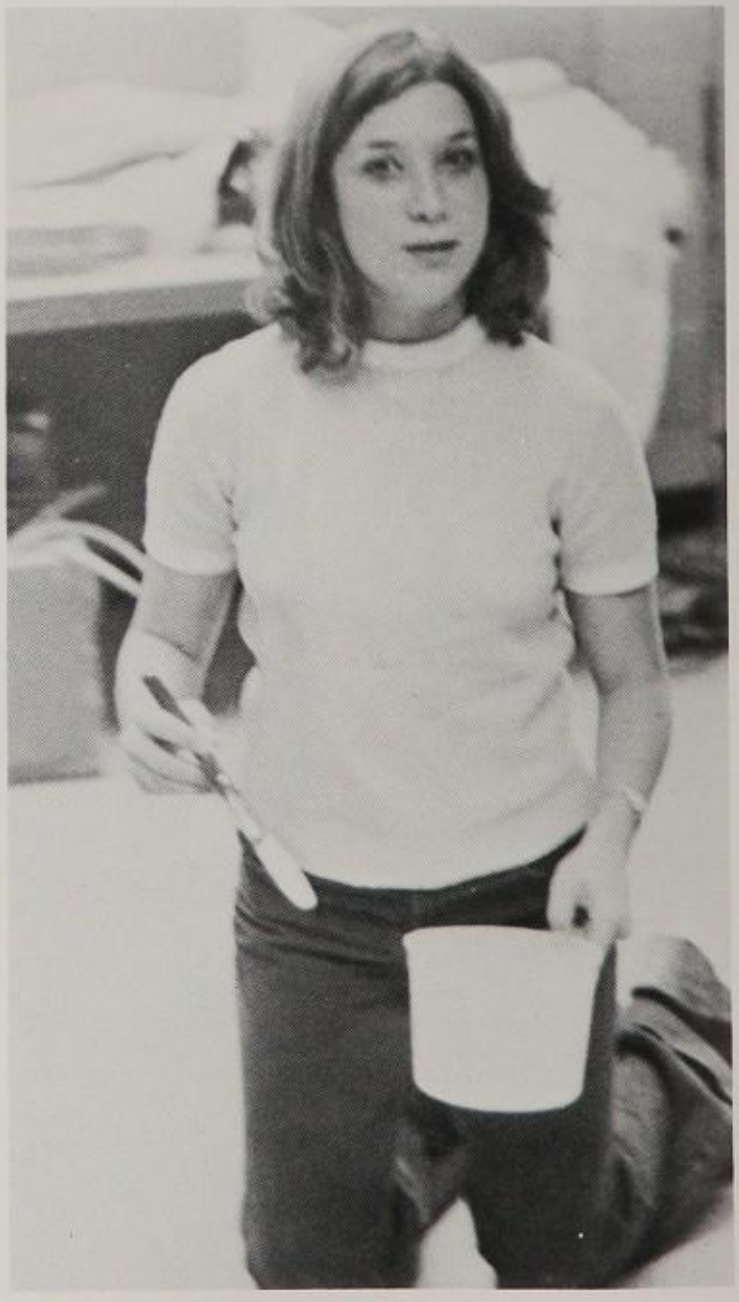
We've Got Spirit!



The Rally Club, sponsored by Mr. Larry Smith, helped promote spirit and provide decorations for the fall and winter athletic events. Rally Ribbons and buttons were sold before each football game. Posters and run-throughs were made to decorate the stadiums for the weekly games. They also helped with Homecoming activities such as the night rally and game activities.

Lettermen Show Pate Pride

We're especially proud of our Lettermen this year because of their strong representation of our school. Each member has lettered in various varsity sports. Again this year the Lettermen sponsored the Pate Riot dance on Sadie Hawkins day, April 5th 1974. They also sponsored their second annual Boxing Tournament on March 28th.

The Fall officers were: President: Vince Petrucci, Vice President: Tom Mascarenas, Secretary Treasurer: Gary Matteson, Sergeant at Arms: Brian Allen. The spring officers were: President: Carlos Ramirez, Vice President: Jay Pack, Secretary Treasurer: Tim Mar, Sergeant at Arms: Anthony Wong.

Smile! You're on Candid Camera

The Photo Club is a group of students interested in developing their photographic skills. Every Thursday night, the school darkroom is open to them so that they may develop film and print pictures. During these sessions, they learn the techniques of developing and printing, along with proper lighting and composition.

In order to gain experience in taking pictures of different subjects, the members have been on many field trips this year. Among them are; a trip to the Mall for night photography, apple-picking and cider-making in Glenville, and an overnight trip to the coast.

So that the student body could see what was being done by members of the Photo Club and Art classes, a board was put in the office to show the outstanding work of these students. Mrs. Mazuski is the sponsor of the Photo Club.

S'roines Spells Seniors . . .

Backwards

S'roines is a club open to Senior girls. The aims of the club are to promote interrelationships among Seniors and to serve our school so that it may function more smoothly.

This year S'roines participated in many activities. On American Day, during International Week, they held an Apple Pie Sale while good ol' American music played in the background. They held many bakesales at numerous shopping centers around town and had a kidnap breakfast. The breakfast was for the Senior members of the football team and was eaten at Bob's Big Boy. Included in the menu were eggs, pancakes, and sausage. They also held the Hi-Jinx and helped with the March of Dimes fund drive. The President of S'roines is Pam Arkelian, Vice-President, Monica Webb and Secretary-Treasurer, Carol Doyle. Mrs. Mosgrove is the sponsor.

Jr. Larcs aid handicapped children

The purpose of the Junior Larcs Club is to render assistance to mentally retarded children by doing service projects and working with handicapped individuals. This year they made many worthwhile accomplishments. Pipes were painted at Adacot School, they sold mistletoe and went caroling during the Christmas season, and helped sponsor the Kelso Dance in January. In February, valentines were sold to help raise money. The officers were Pat Caire — President, Nancy Payne — Vice President, Tina Samano — Secretary, Karen Thompson — Treasurer, Cheryl Brown — Historian, and Carrie Der Garabedian — Service Chairman.

Key Club Gives Help to Others

The Key Club is a community service organization. This year some of Hoover Key Club's projects were to raise money for scholarships, helped with the Cerebral Palsy Drive, and together with the Junior Larcs, sponsored the Kelso Dance.

Dear Hoover High students and teachers,

In writing this letter I take the opportunity to thank you all for a lot of new experiences I had.

I feel I had a great fun time together with you and kids. And not only this, but you also showed me that I can pass and live as well as a German as an American. You gave me the insight and the basis on which I can choose now for one life or another or — better — just mixing and using the advantages of both systems as elements in my later life.

This means a lot to me.

Thank you and
Danke schon

Dear Everybody,

I was one of the lucky people who was chosen from the Youth For Understanding to go to America. And from the moment I knew this I felt very excited and fortunate.

In the beginning, I was a little frightened to be around with such a crowd of people, and to speak English all the time. But after a while everything was new and different, and I was getting used to all this. During my stay here, I learned a lot of ways, how people live and how people do things here. School and the family life is both a nice experience. Being at Hoover was a lot of fun, and all the people at school made everything very nice for me, being so kind all the time. My whole stay here is gonna be a memory, I will never forget in my whole life. And I would like to thank all my teachers, my counselor, Mrs. Leest and Mr. Bray and Mr. Phillips for everything that made my stay at Hoover so great. I hope I will come back someday to see everybody again.

Always,
Nicole Gonkel

Important Imports

Salu Patriots!

In Swissgerman and —I think— in French "salu" means "hello" and "good bye". People who know each other, or friends say that when they greet each other!

With this letter I would like to thank all of you for making my stay here in the United States such a great one. I enjoyed so much being a member of Hoover High and sharing all the things that happened during this year, with you. I made many friends. At the beginning, when everything was new and strange to me I felt a little lost in this huge school, but your openness and interest in other cultures made me feel at home soon.

Since I've come here I've seen my interests change because I've got to choose all the classes I was most attracted to. It made my school life so much more enjoyable than at home where I have to take practically all the classes the government offers.

Through my stay here I've come to know and appreciate your beautiful country, family life and customs. It's really a different experience to live in another country for such a long time instead of visiting shortly.

The program I went with is called YFU, Youth For Understanding. This says what the program stands for: Understanding. Isn't it true that if we would understand all the different cultures we could have Peace in the World?!

Ich danke Euch

Dear Patriots,

These past months while I have been attending Hoover High School, have been the greatest in my whole life. I think that Hoover must be one of the best schools in California.

The kids and the faculty have been so nice to me, so that it will be impossible to forget this year for the rest of my life.

My experiences here have helped much to correct the image and the wrong impressions that I, as many others in my country, had about the United States.

I would like now, as my year in the United States approaches its end, to thank the kids, my teachers, the faculty, especially my counselor Mrs. Leest, Mr. Bray and Mr. Phillips and all the other people who made it possible for me to spend the year here and to get to know the United States as a member of a community.

Dear Hoover:

It is a great honor for me to write a letter to you, and it is too hard too because I came here just a month ago, and naturally my English is not good yet.

All I can say is that I was coming to the United States from my country through the Youth For Understanding Teenage Program, without knowing which state I would be living in for this six months. I was very lucky when the Youth For Understanding's representative told me at the New York airport that I got my first choice — the beautiful state of California.

The school system in South America is a lot different than the United States school system. Most of the schools in South America start at seven o'clock A. M., but there are also afternoon schools too, so if you go to an afternoon school you have all your sports activities in the morning, and if you go to a morning school you have your sports activities in the afternoon. In South America you can't choose your classes like you do here, so you have to take all the classes that they give you. I particulary think that it is better if you can choose your classes. Another thing is that in South America the students stay in the same class all day, and the teachers move their classes in every period.

The more popular sport in my country is Soccer, and I like it very much, and I am also practicing with the Hoover Soccer Team who is a new champion.

Right from the first moment I liked Hoover High School very much. The counselors, teachers, and students all were very friendly. I had never seen school spirit in all sporting events in any other schools as each of Hoover's students have.

I am having a very nice time here. The first days I went to Hoover, all the counselors, teachers, and students, helped in all my classes I take, so this is the moment that I give them my thanks.

Believe me Hoover I will miss you very much. Your friend for all the life:

Hoover,

In this semester which I stayed with you, I had one good experience.

Here in school, this year went for me very good, because some things were very different and new for me and here I passed my times. Here I knew how was the lives in different school and different country.

The people which I knew here are genius and I don't forget this people. I'm very grateful for some things what this people done for me here.

Thank you Hoover,

International Club

International Club is a club designed to give moral support to foreign exchange students. By participating in various activities, it gives these students a chance to feel like a part of Hoover. Through money-making projects, they donate money to the American Field Service to help the students that come to America. International Club is sponsored by Mrs. Ruby Lockett.

O.H.S. Cares About People

The main goal of O. H. S. is to "help people." This past year they have done many things to reach this goal. Once again they went trick-or-treating for UNICEF on Halloween. Food was collected to be given to the needy during Thanksgiving. Also food and toys were collected for needy people and children for Christmas. They had a bake sale and went out collecting for the March of Dimes.

Hoover's B.S.U. Speaks Out

Understanding other cultures combined with Black culture is one purpose of B.S.U. To bring a stronger unification between students is why Mrs. Bertha Crittendon sponsors B.S.U. This year they presented many Black activities to promote awareness of Black culture. Some of these activities were the Martin L. King program in January and Black History Week in February.

B.S.U. members are: Donna Jack, Michele Davis, Faye Jack, Ann Sykes, Phyllis Martin, Doris Gooch, Connie Gooch, Mary Teilghman, Charmaine Jones, Linda Sauter, James Lamar, Tina Cole, Annie Banks, Sylvia Dayton, Sheryl Jenkins, Lavonia Furlow, Betty Rainey, Desiree Perry, Terea Brewer, Victor White, Willomina Wooten, Denise Wittle, Dwane Johnson, Gerald Turner, Cleo Martin, Shirley Reese, Eugenia Gaston, Carson Walls, Bertha Crittendon (sponsor).

French Club Expands Horizons

French Club brings together people with a common interest to learn about French culture. This club is sponsored by Mr. Proudian and its highlight this year, was once again, the French Club dinner. It was held at Cindy Feher's house and many French foods were prepared.

Save Tomorrow
Ecologize Today

The Ecology Club has been busy this year. They went on various field trips to learn more about what they are interested in. On February 8th they went to Morro Bay. They visited a nuclear power plant to see how it was run and investigated tide pools to observe sea life in it's natural environment. The Ecology Club's president was Hal Ledford and the club sponsor was Garland Johnson.

Heritage Staff keeps the News Coming

The purpose of the Heritage and the Heritage Staff is to report events and happenings of Hoover to students and the faculty. The staff did an excellent job of keeping everyone informed this year. The newspaper consisted of reports on sports events, lunchtime and after-school activities, interesting articles on different individuals, student opinions on various issues and a number of fictional stories. This year's editors were Stephanie Diel and Debbie Peterson and their advisor was John Carsten.

Students Speak Out

This year's Forensics Team enjoyed another successful and full year of competing. They went such places as the University of San Francisco, Stanford University, and the California State University at Sacramento to participate in tournaments.

In the City Finals, Hoover had many first places. Phil Sindlinger and Glen Mertens placed first in Debate, Dale Scott in Original Oratory, Nancy Johnson in Girls Extemporary, and Glen Mertens in Boys Extemporary. They finished off the year with the California Speech Finals in May ... Larry Smith is the teacher-sponsor of the team.

Reading Takes Talent

The Hoover Reading Team is made up of people taken from the Power Reading classes who read extremely well and wish to better their speed and comprehension scores. They give reading demonstrations to other classes and community organizations, hopefully encouraging other people to take Power Reading classes. Each person on the team ends up reading faster and better for their efforts.

The average top scores from second year team members are 110,115 WPM with 71% comprehension for Ron Luce, and 86,835 WPM with 75% comprehension for Ron Avedisian.

The entire team averaged 23,628 WPM with 66% comprehension for the first semester of this year during demonstrations.

Each morning we hear two voices during second period. They read such things as when the next game, dance, activity, etc. is. Those golden voices are the ones of Susan Mosley and Greg Gudgel. They have read the bulletin together for a year-and-a-half. Good job, you guys!

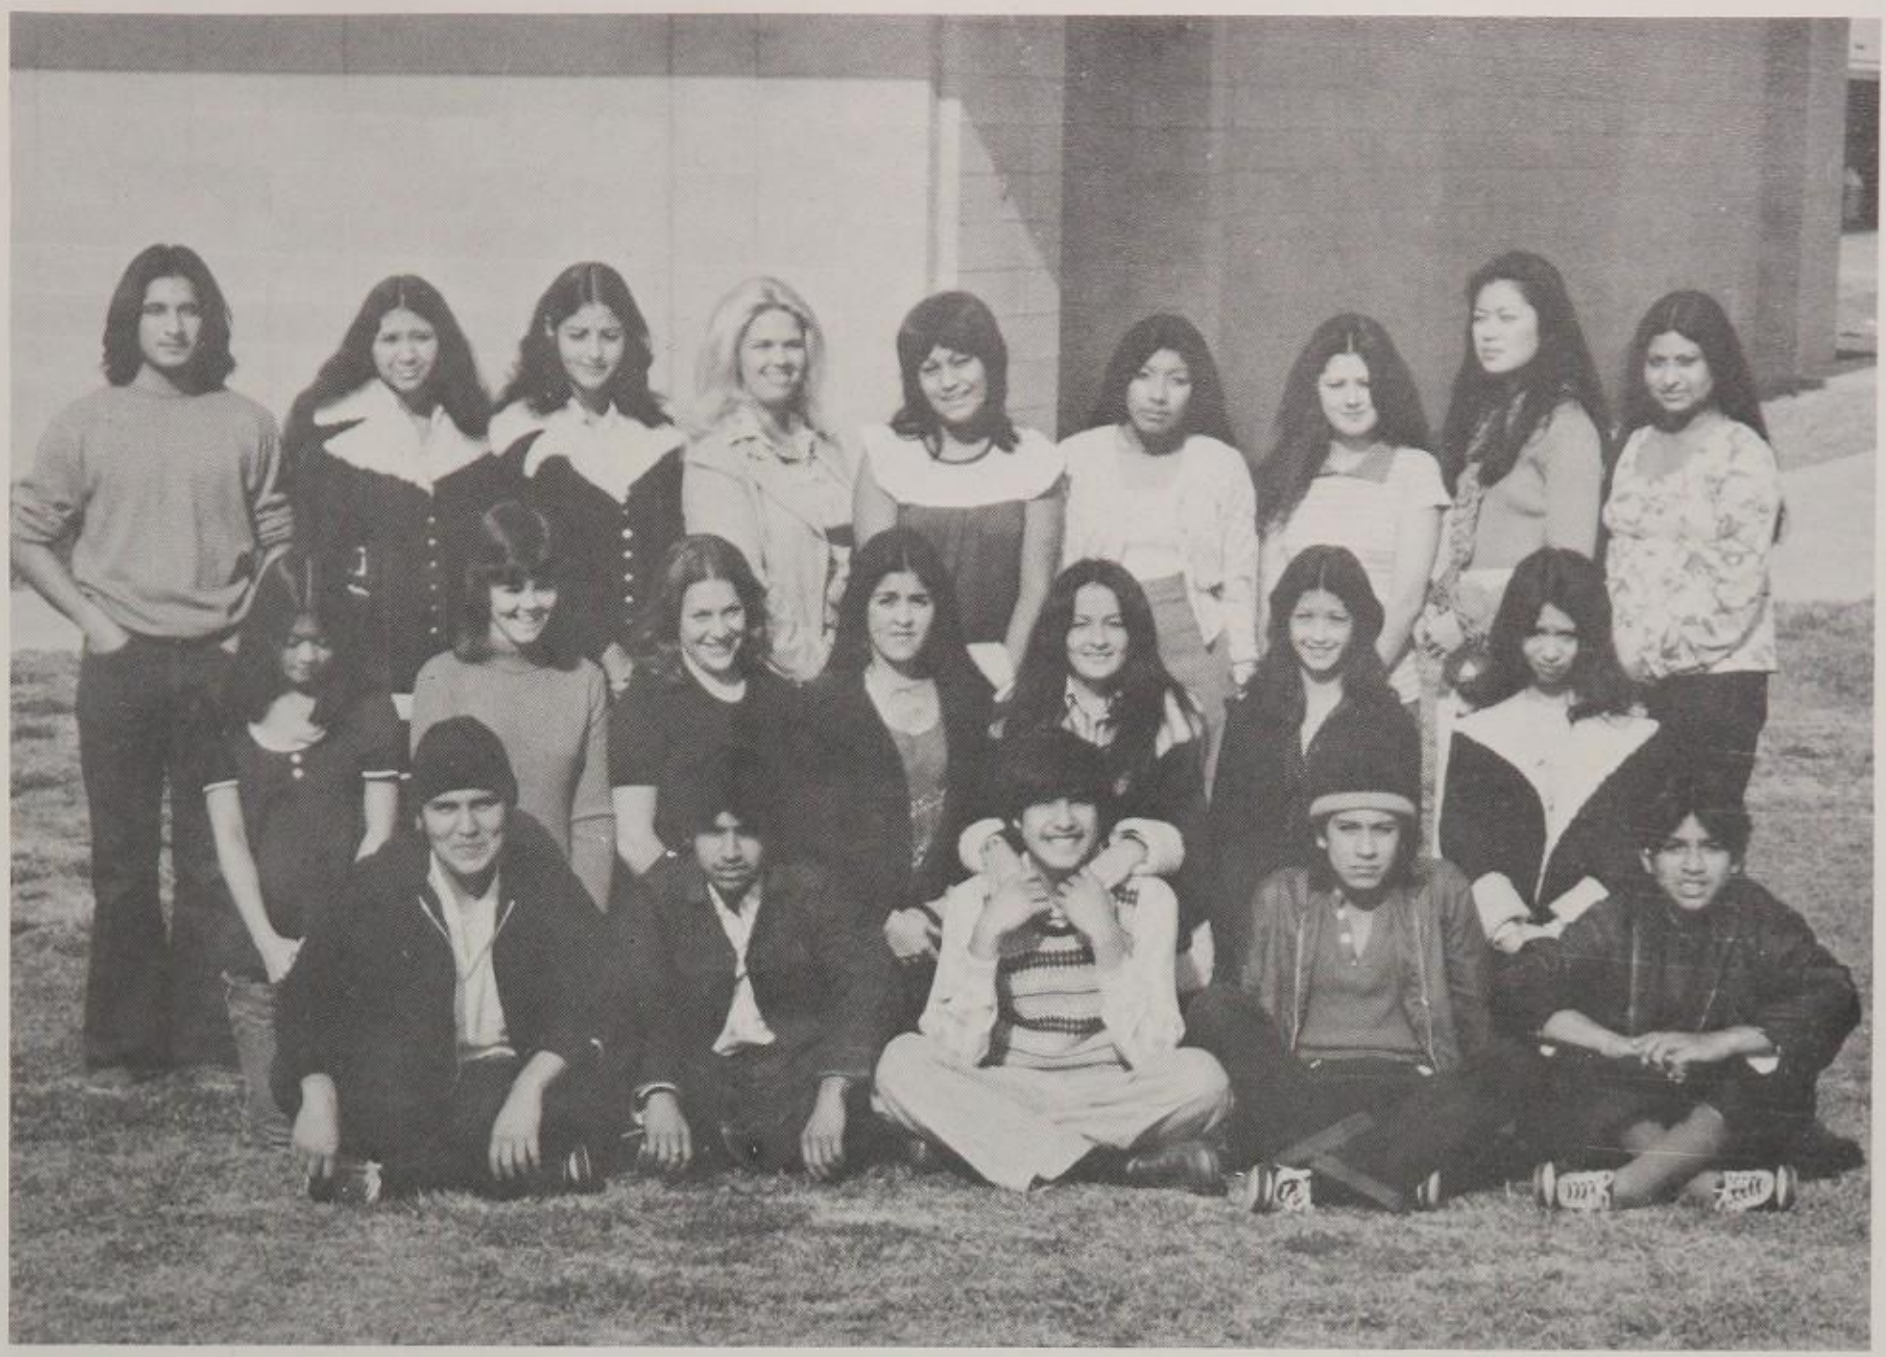
Students Get Involved



Cross age is an elective class which requires good citizenship in all classes. These students teach fifth and sixth grade children at various schools. Throughout the year they teach, soccer, basketball, baseball, volleyball, etc. The girls teach the girls P. E. class and the boys teach the boys. They go each day at a specific time. This class was an experimantal class last year, but turned out so good, that they carried it over to this year.

Mash Gets It Together

Pre -Teaching is an elective class which gives students that are planning on being teachers, the experience. These students teach from kindergarten on up to sixth grade. They don't have to specialize in any certain subject, but just help the children in anything they need help with. This program gives them the opportunity to be around and work with elementary children.

Mash is a club organized by and for the Mexican Americans of Hoover. They have sponsored many activities this year such as bake sales and car washes. But their biggest activity takes place during Cinco De Mayo week. The officers are: President - Gloria Darbonnier, Vice President: Nellie Ramirez, Secretary - Treasurer - Rommellia Carrillo.

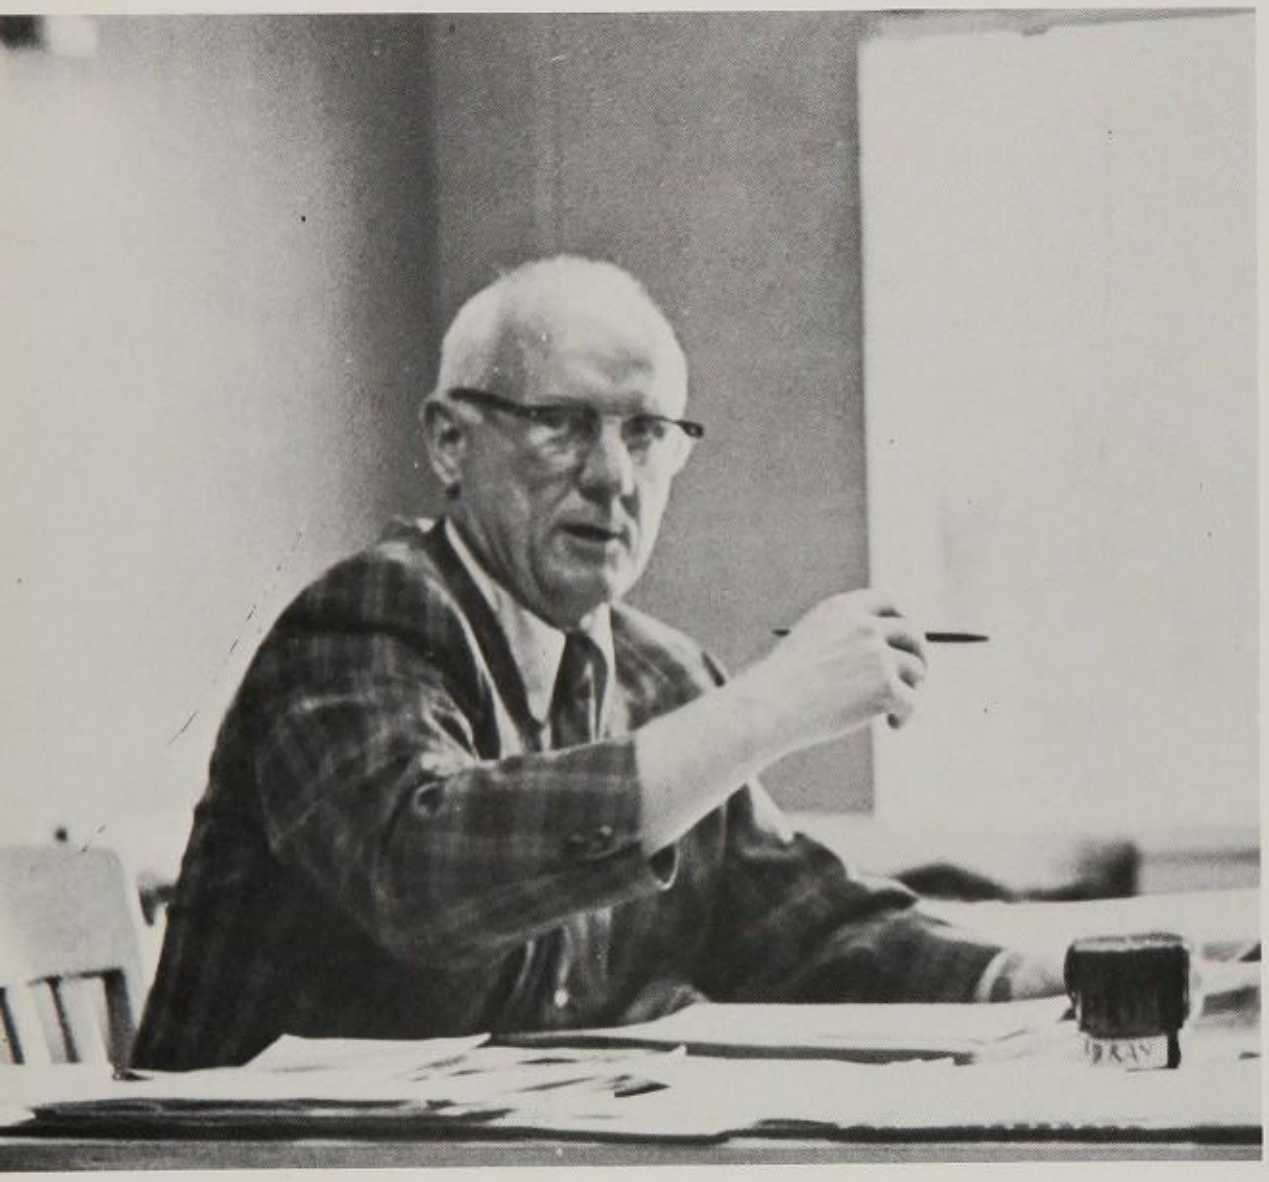
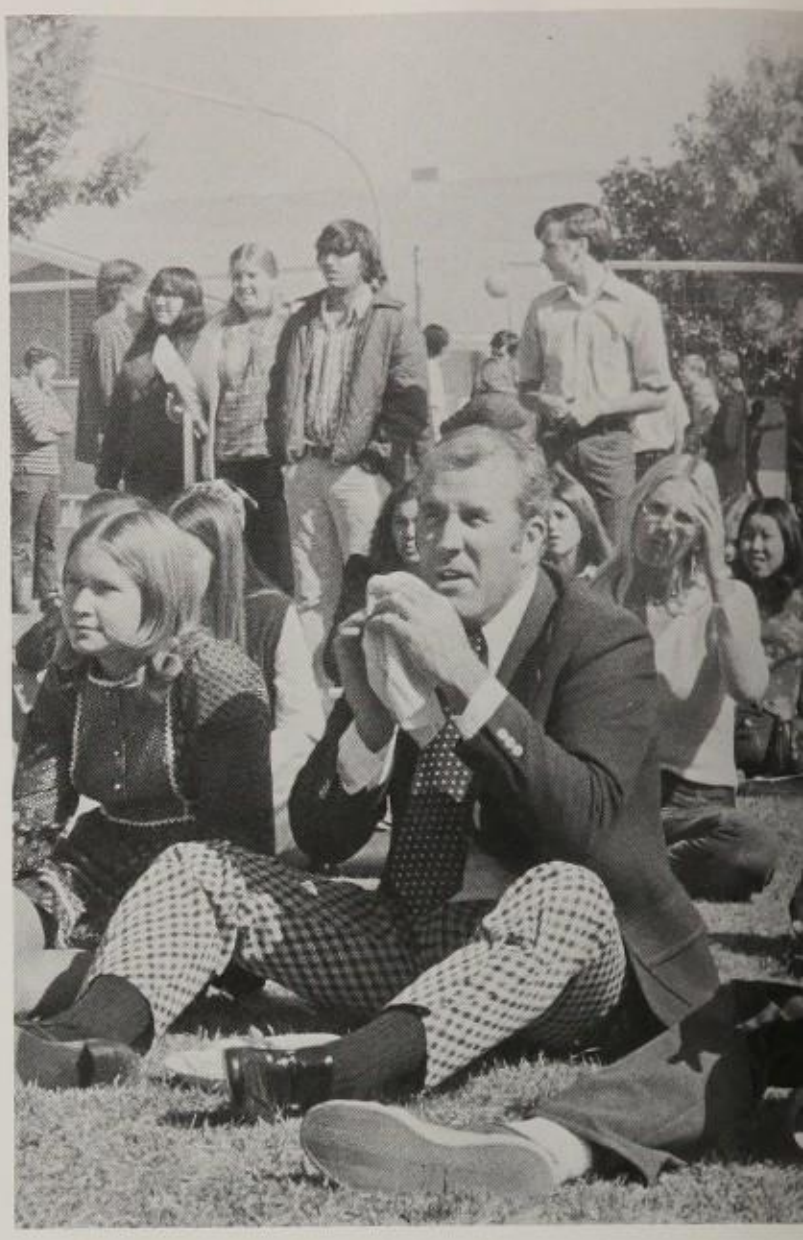
academics

There were many changes in our faculty and administration this year. Mr. Thomas Phillips was new to Hoover from Roosevelt as our Vice Principal. Mr. Kerber became Dean of Boys while Mr. Gonos came from the social science department to take his place as a counselor. All of them were very interested and ambitious in the school and in the students. Several of the teachers were also here for their first year. There were new teachers, in industrial education, girls' p.e., social science, and the science departments.

Their Main Concern Is Us - The Student





This is Mr. Douglas Bray's second year here at Hoover as our Principal. He is very interested in anything and everything having to do with the student body and our school. Mr. Bray is always happy to help a student, especially if it is for the good of the school. He is also a close follower of the activities of the Band since he used to be a trombone player. Mr. Bray supports school athletics since he used to be a coach.

Mr. Thomas Phillips is a first-year-Pate. We welcome him and hope he has had a great year at Hoover. Mr. Phillips was the Vice-Principal at Roosevelt High School. Before that, he was a counselor and swimming coach.

Mr. Ed Kerber, "The Voice Of The Patriots," has been here since the school opened and has been the announcer for the Band for six years. This year, he replaced Mr. Montague as the Dean of Boys. His responsibilities are mainly taking care of discipline.

Mrs. Anita McCready, also at Hoover since it opened, is in charge of discipline for the girls. She is in charge of the formal and prom bids and other things having to do with social actitivies. Those are just a few of her many responsibilities.

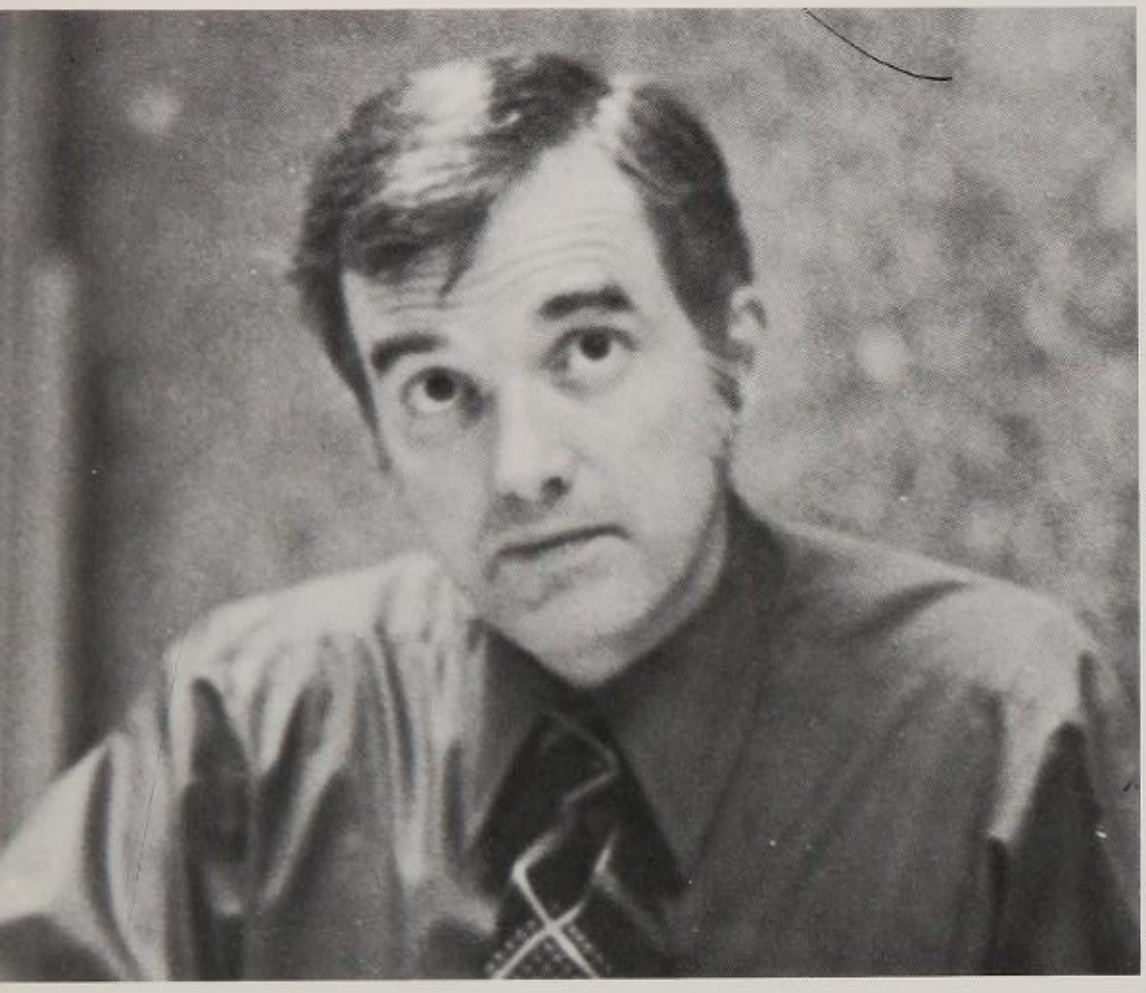
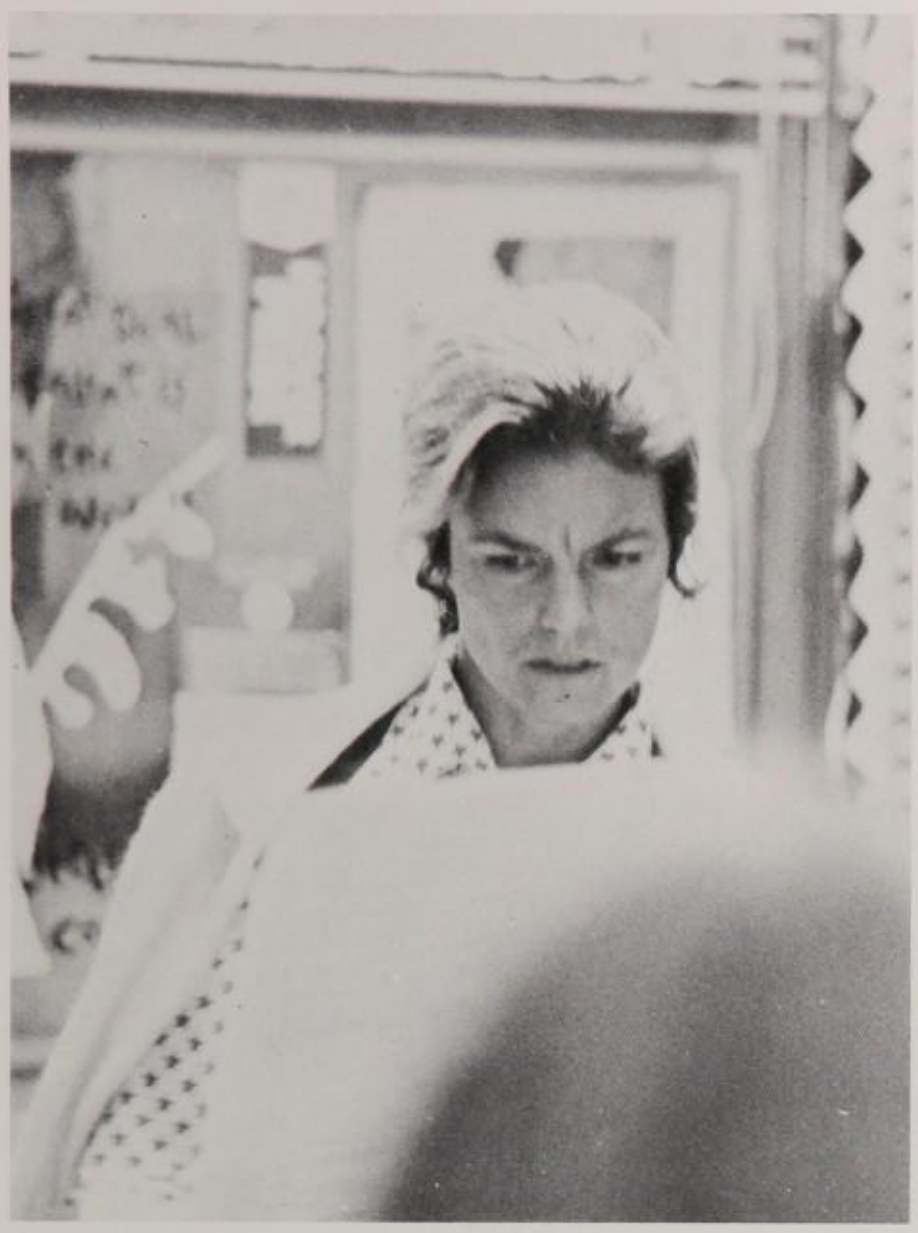
People Who Are Here to Help





Our Counselors are here to help us with whatever we need. They are are always willing to listen to our gripes or anything else you want to say. They show us how to apply for college or even how to stay in high school and are very helpful in deciphering test scores. They are always busy with something and we can find them in the Office. They are our professional friends.

Everybody needs to talk to someone sometime. That is why Mrs. Ann Heinrichs, School Psychologist, comes to Hoover.

Mrs. Bertha Crittendon is Hoover's Family Relations Worker. Her job is to improve relations between students and parents. Another part of her job is visiting students who are ill for a long period of time. She is also a co-sponsor of the B.S.U

A Credit to Hoover's Staff

We should give more credit to the secretaries of our school than we do. Little do we know that they are the ones who keep this school going.

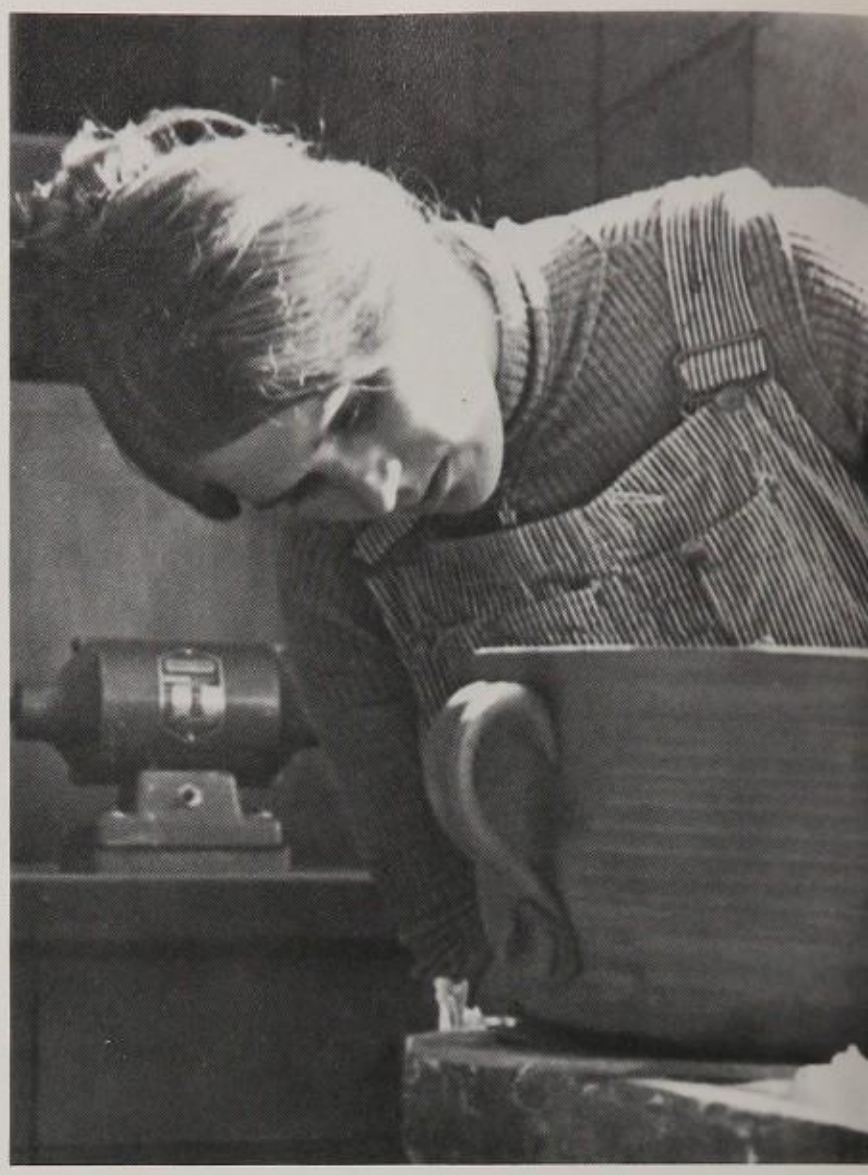
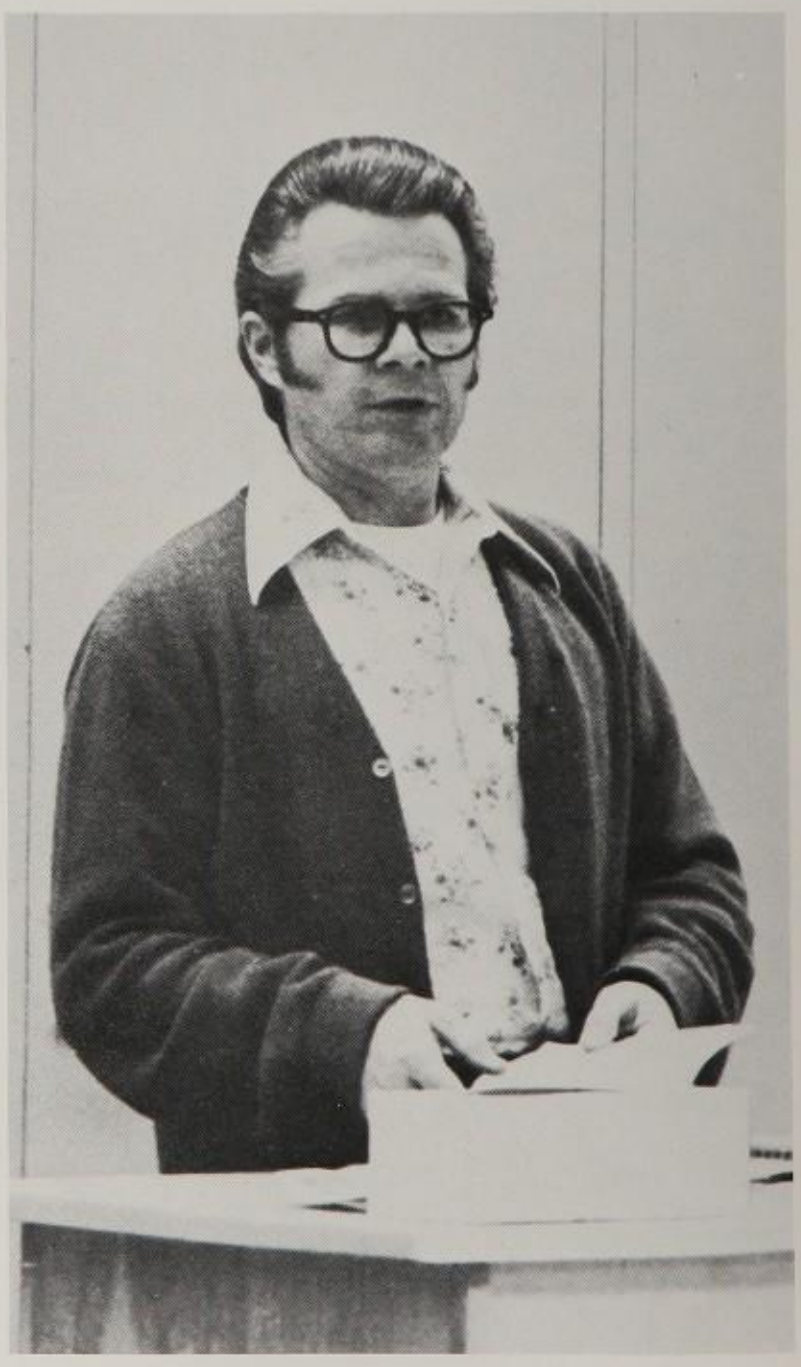
Help for Aspiring Artists





The Creative Arts Department has a great variety in the classes offered. There are classes in everything from Color and Design to Ceramics to Leather, Jewelry, and Photography. Other classes that fall under the Creative Arts are Drawing and Painting, Sculpture, Fibers and Textiles, and Yearbook Production. All classes except Yearbook are taken on a semester basis. The department finds this method of teaching Art very successful.

What's that sound I hear?

The Music Department has two new classes this year—Guitar and Stage Band. Guitar was started as an experimental class and is offered on a semester basis. The class was very successful and will be offered again next year. Stage Band B was started to provide people who could not be in the Stage Band with the chance to become acquainted with, and play Stage Band music. Stage Band B is a performing group, just as are the other musical groups; the Marching Band, Symphonic and Concert Bands, Orchestra, Stage Band, Madrigals, Advanced Mixed Chorus, Girls' Chorus, and the Girls' Ensemble.

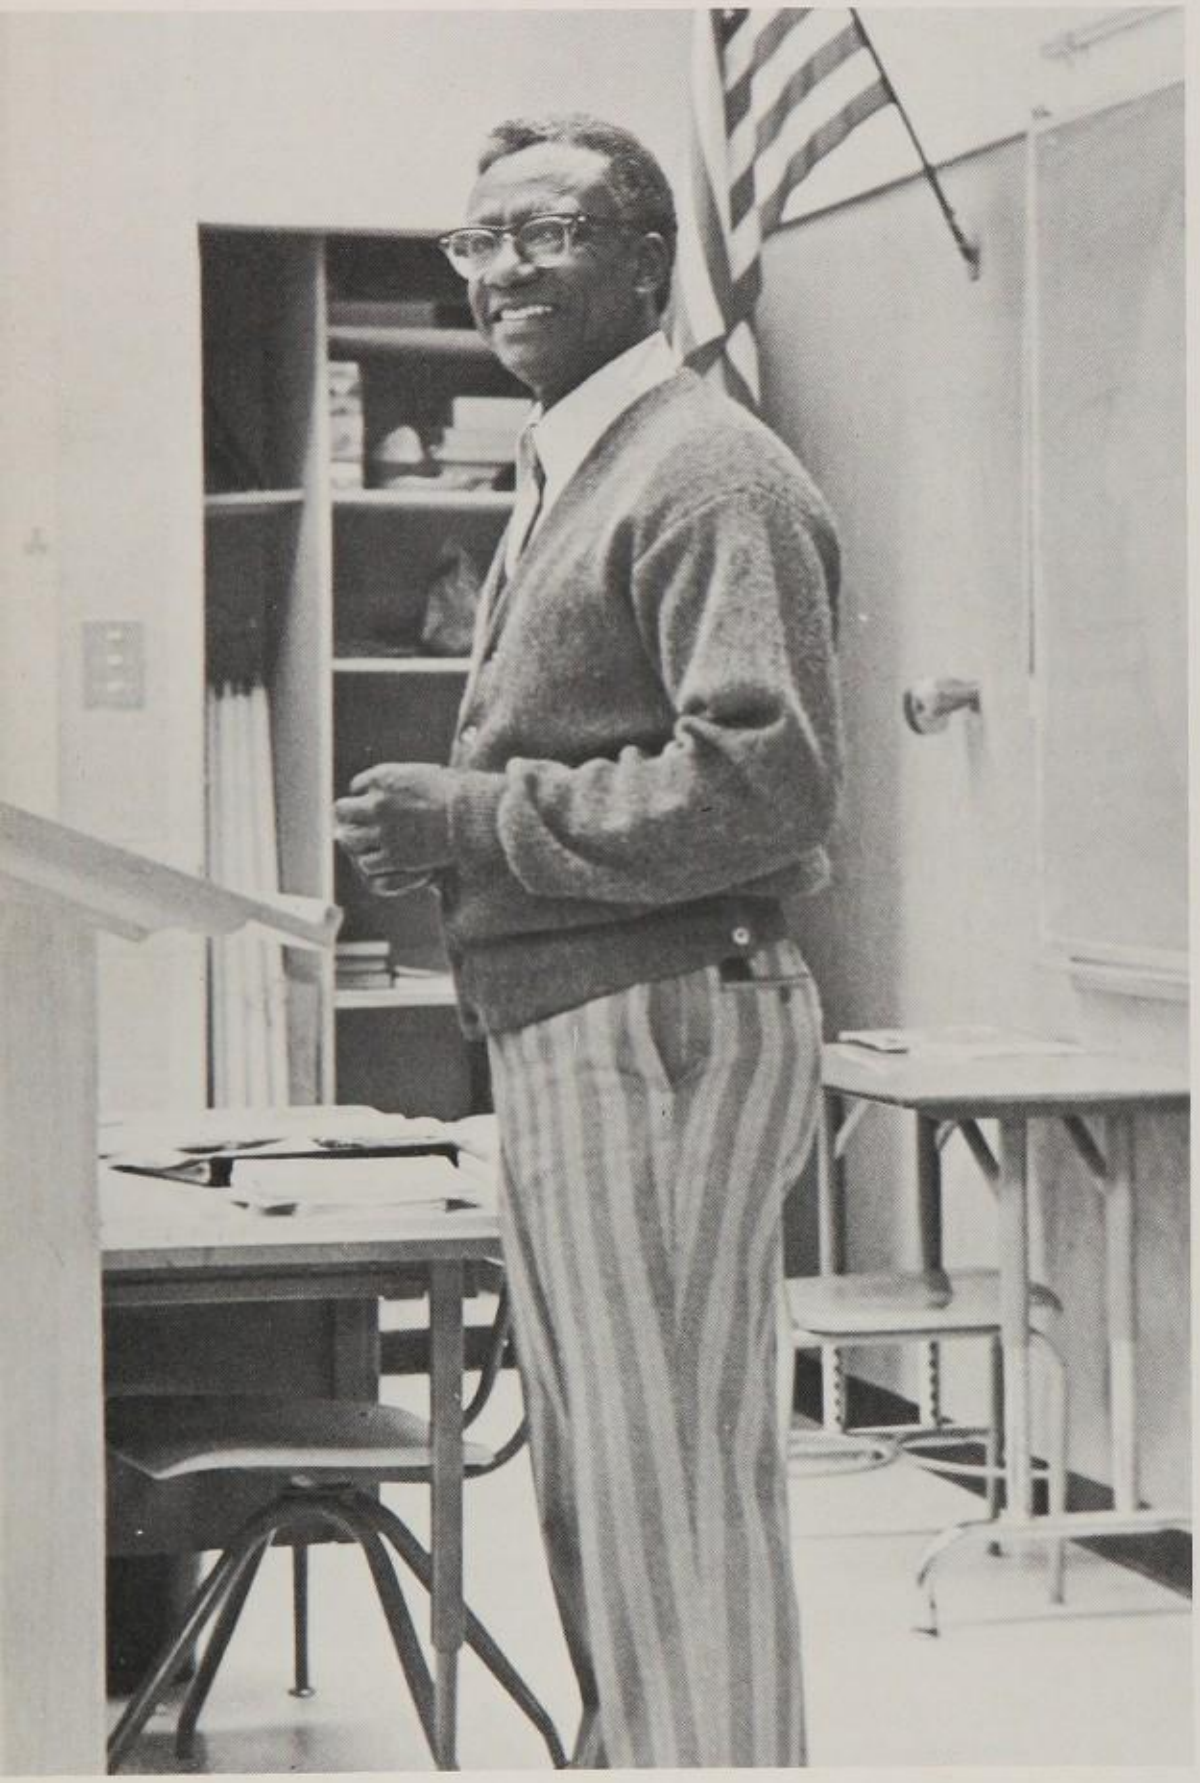
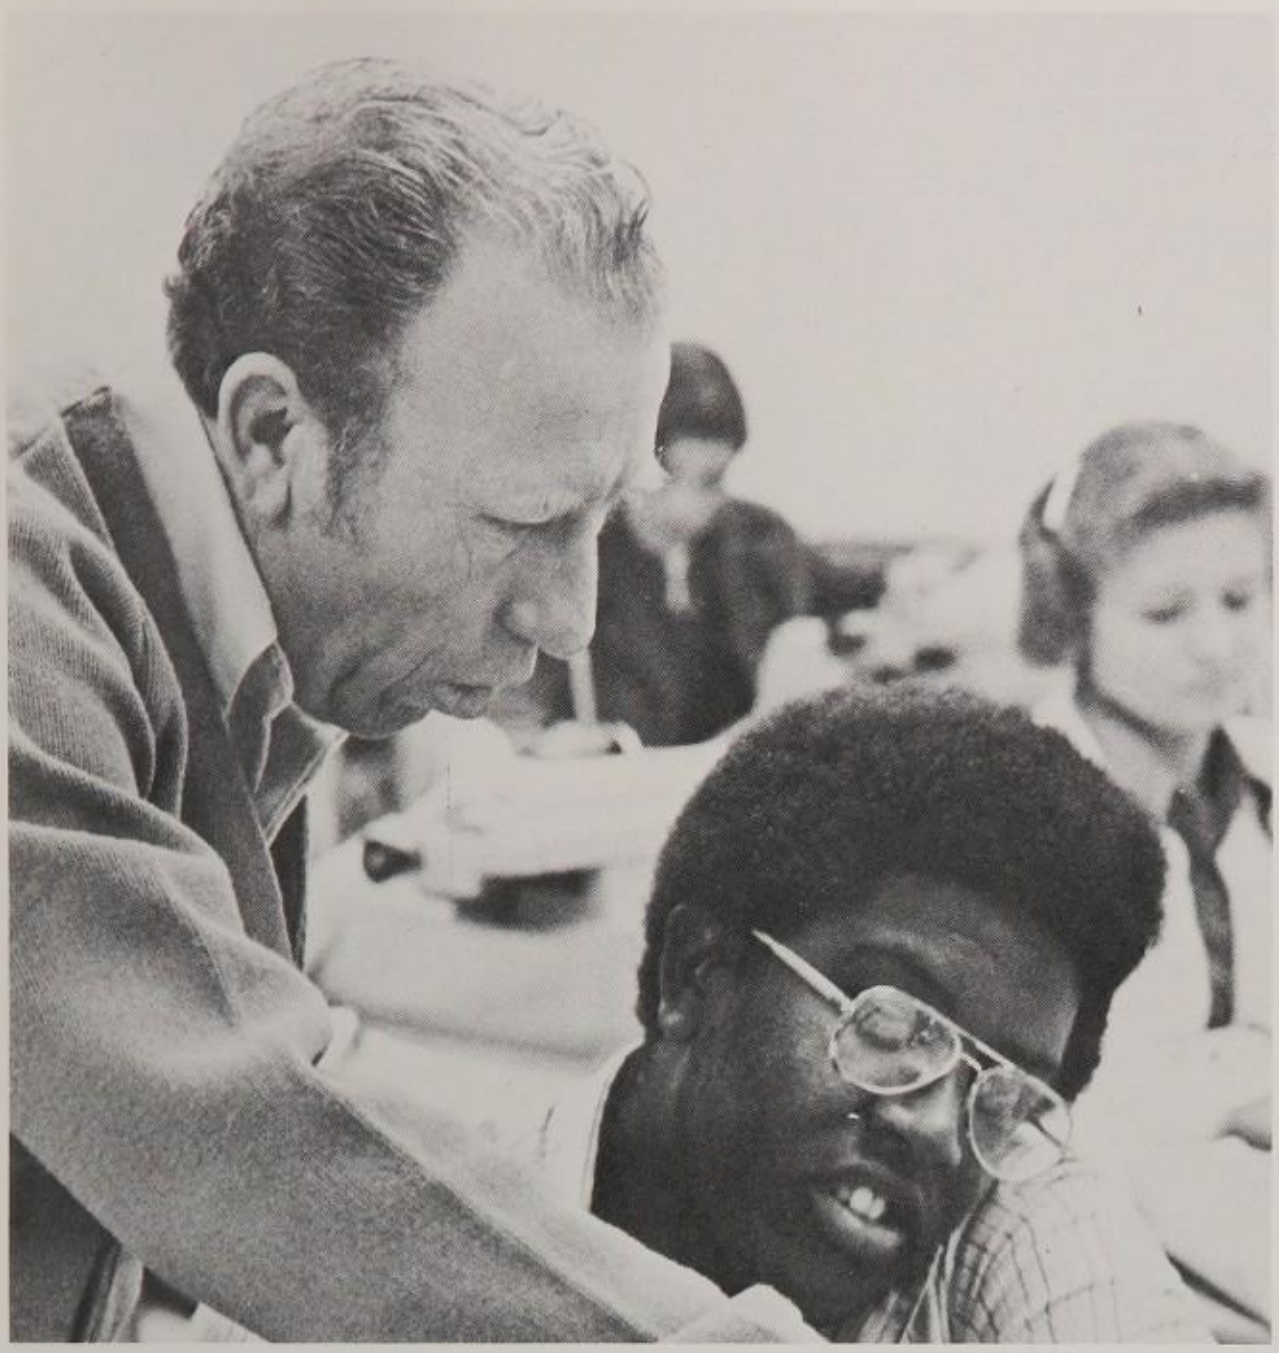
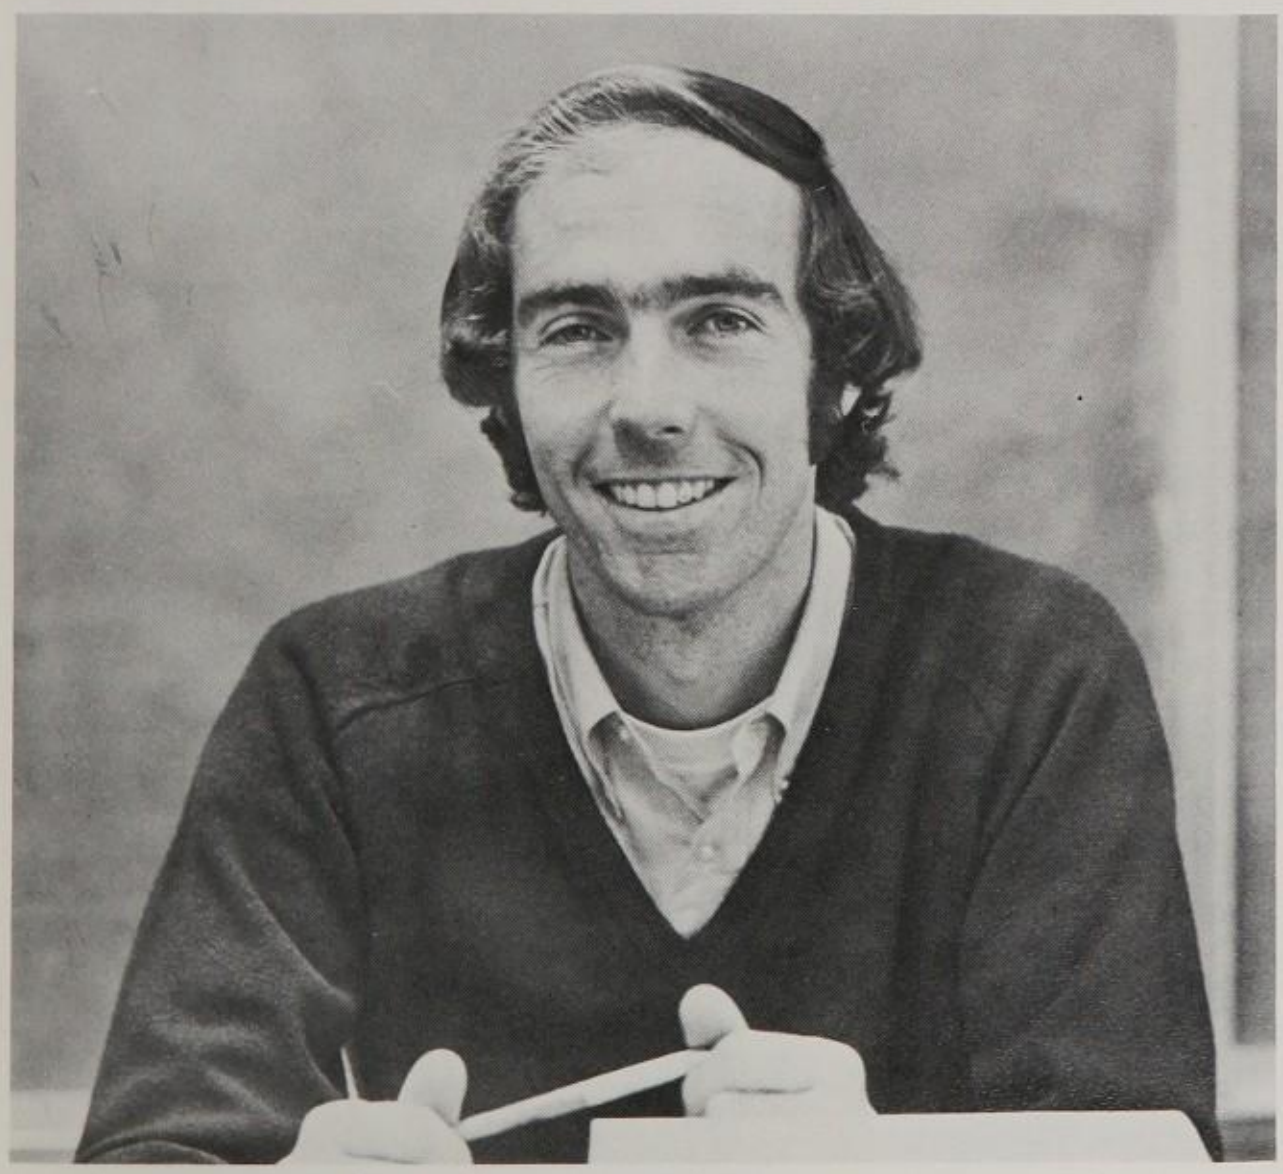
Business Teachers Prepare Pates for the World Ahead







The Business Department gets better and better every year. Various courses continue to teach students skills they may need in the future.

Two new classes have been added to the program this year. Cooperative Office Education, taught by Mrs. Lockett, is for students interested in advanced secretarial skills. The first semester is spent in the classroom learning and the second semester students apply their skills at an actual secretarial job. Personal Finance, taught by Mr. Cords is set up to teach students the skills needed for everyday living.

Other courses offered this year include Business Law and Advanced Typing, Advertisement and Sales, Accounting, Shorthand and Recordkeeping.

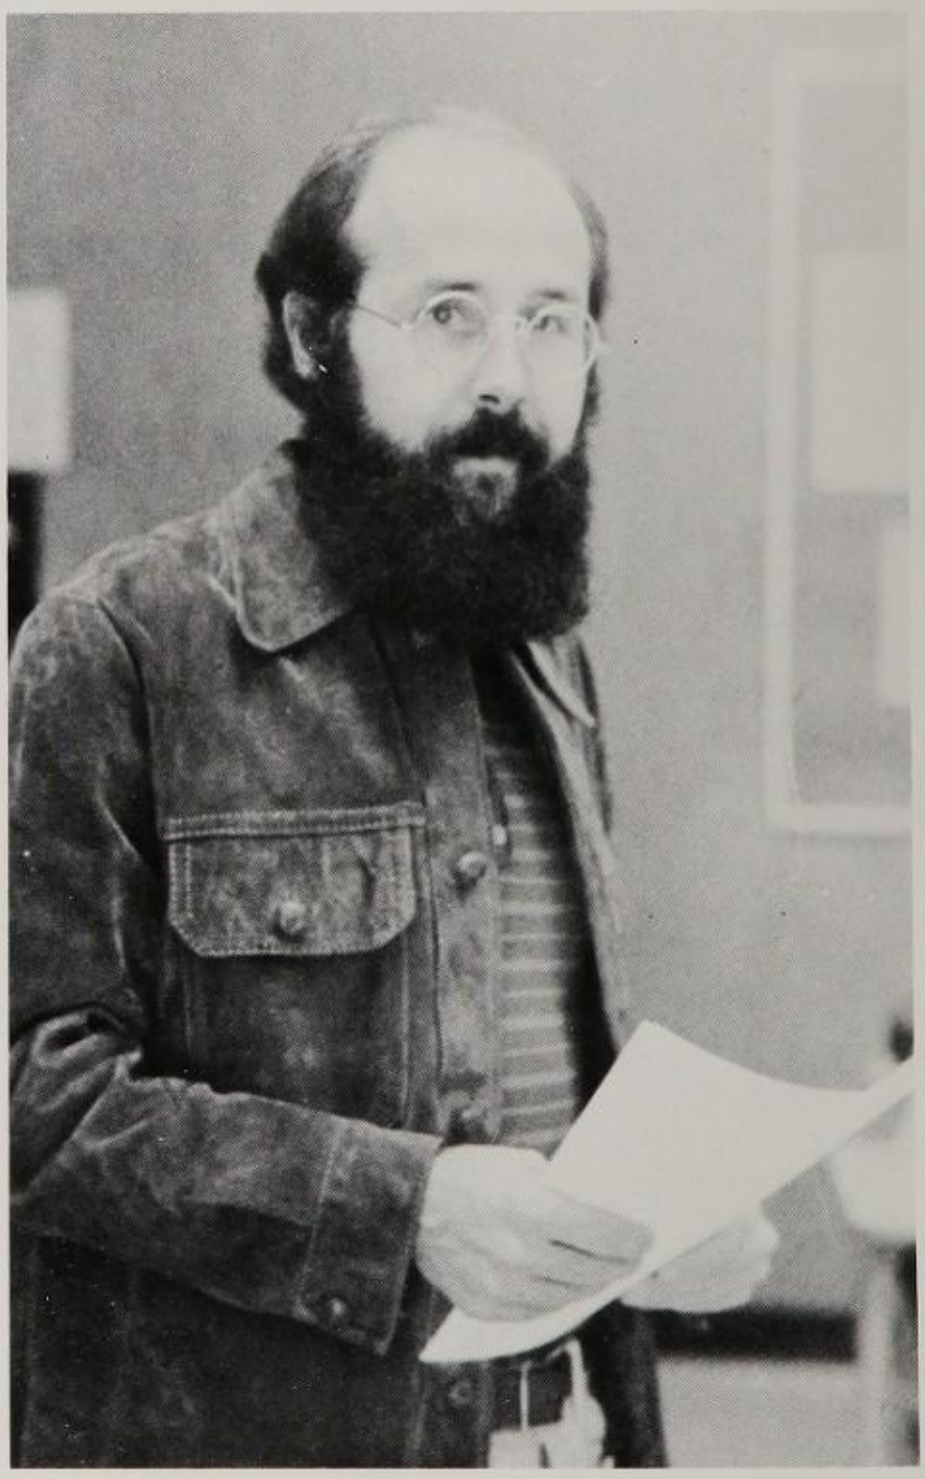
English Department Offers a Wide Choice



Perhaps our most significant goal is to identify student needs and attempt to present alternate ways through our elective courses to meet those needs. We try to consider as many aspects of the human condition as possible through study of film, literature and student expression. Our department is designed to meet the traditional concerns of English and to keep abreast of the continuing changes within our subject area.

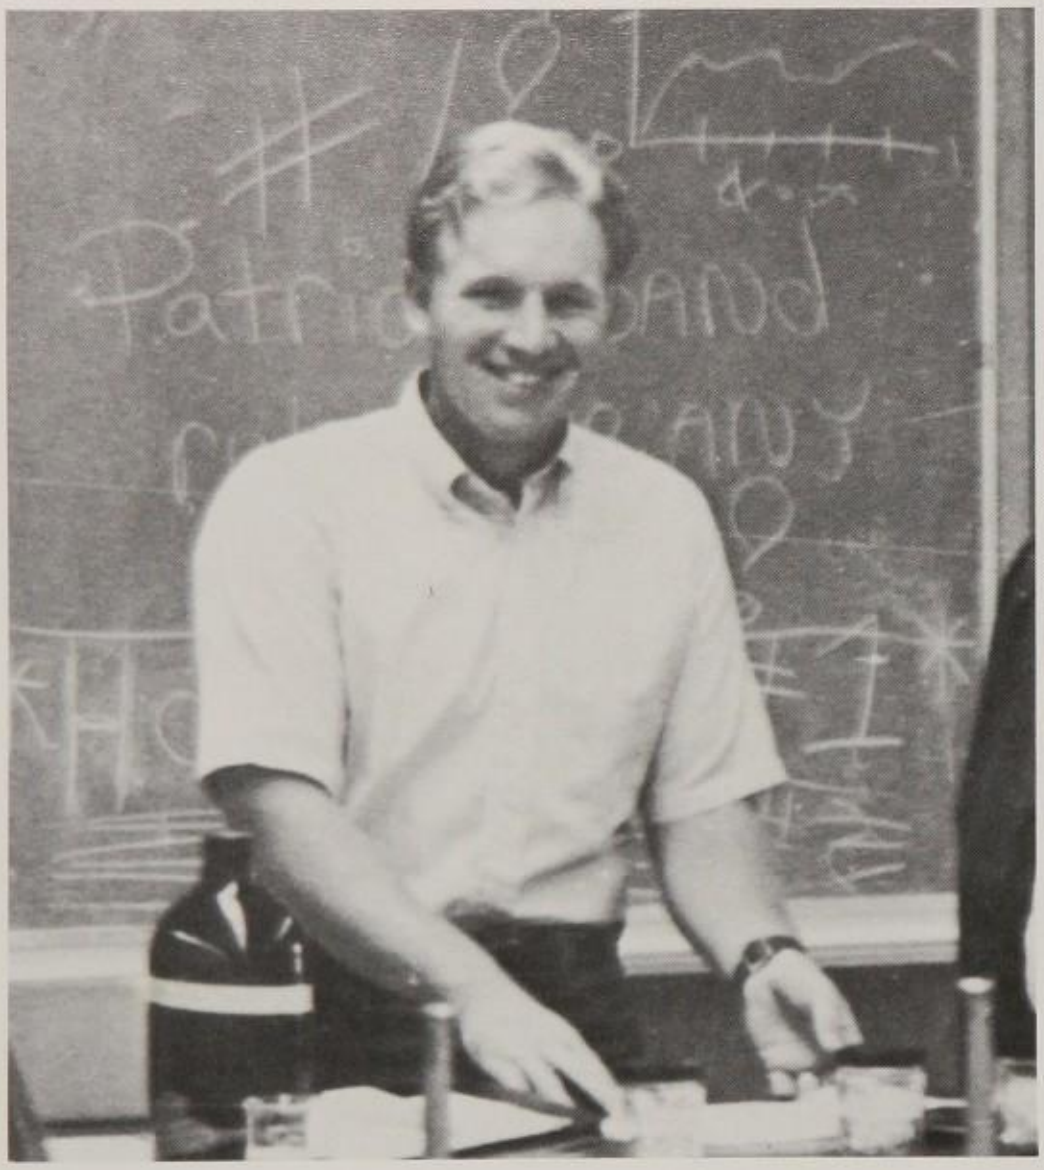
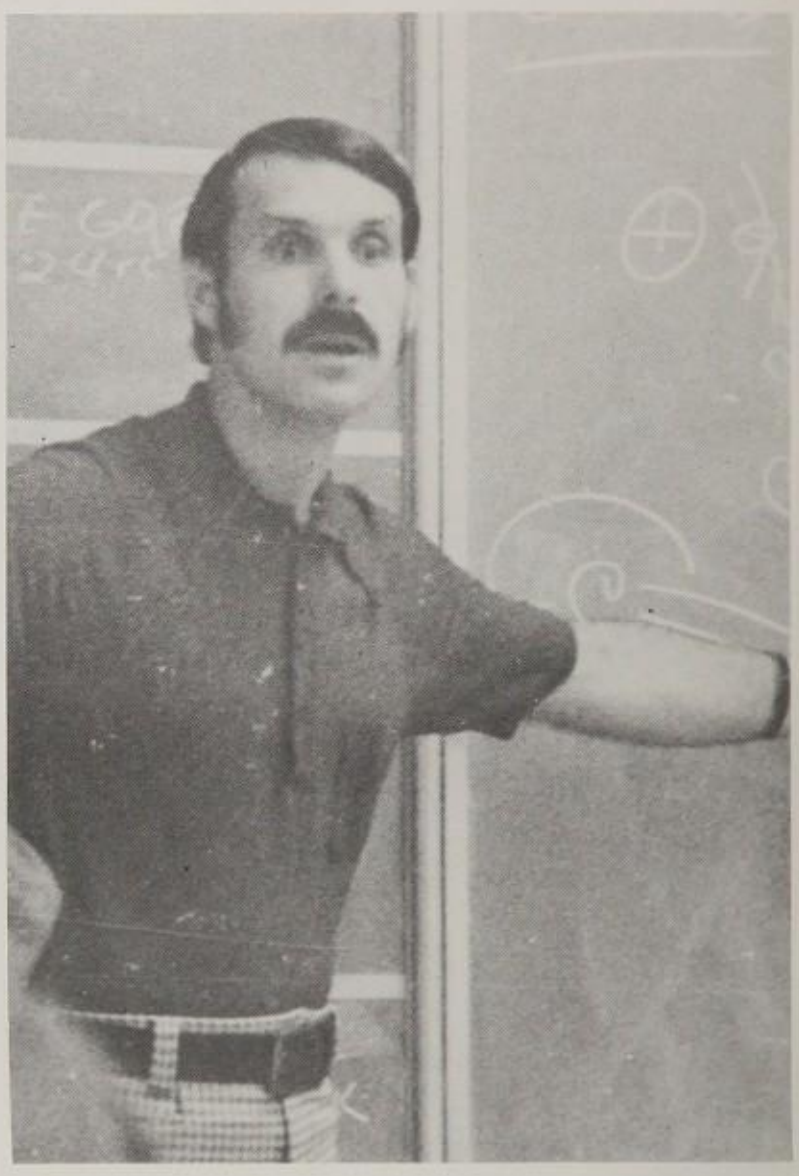
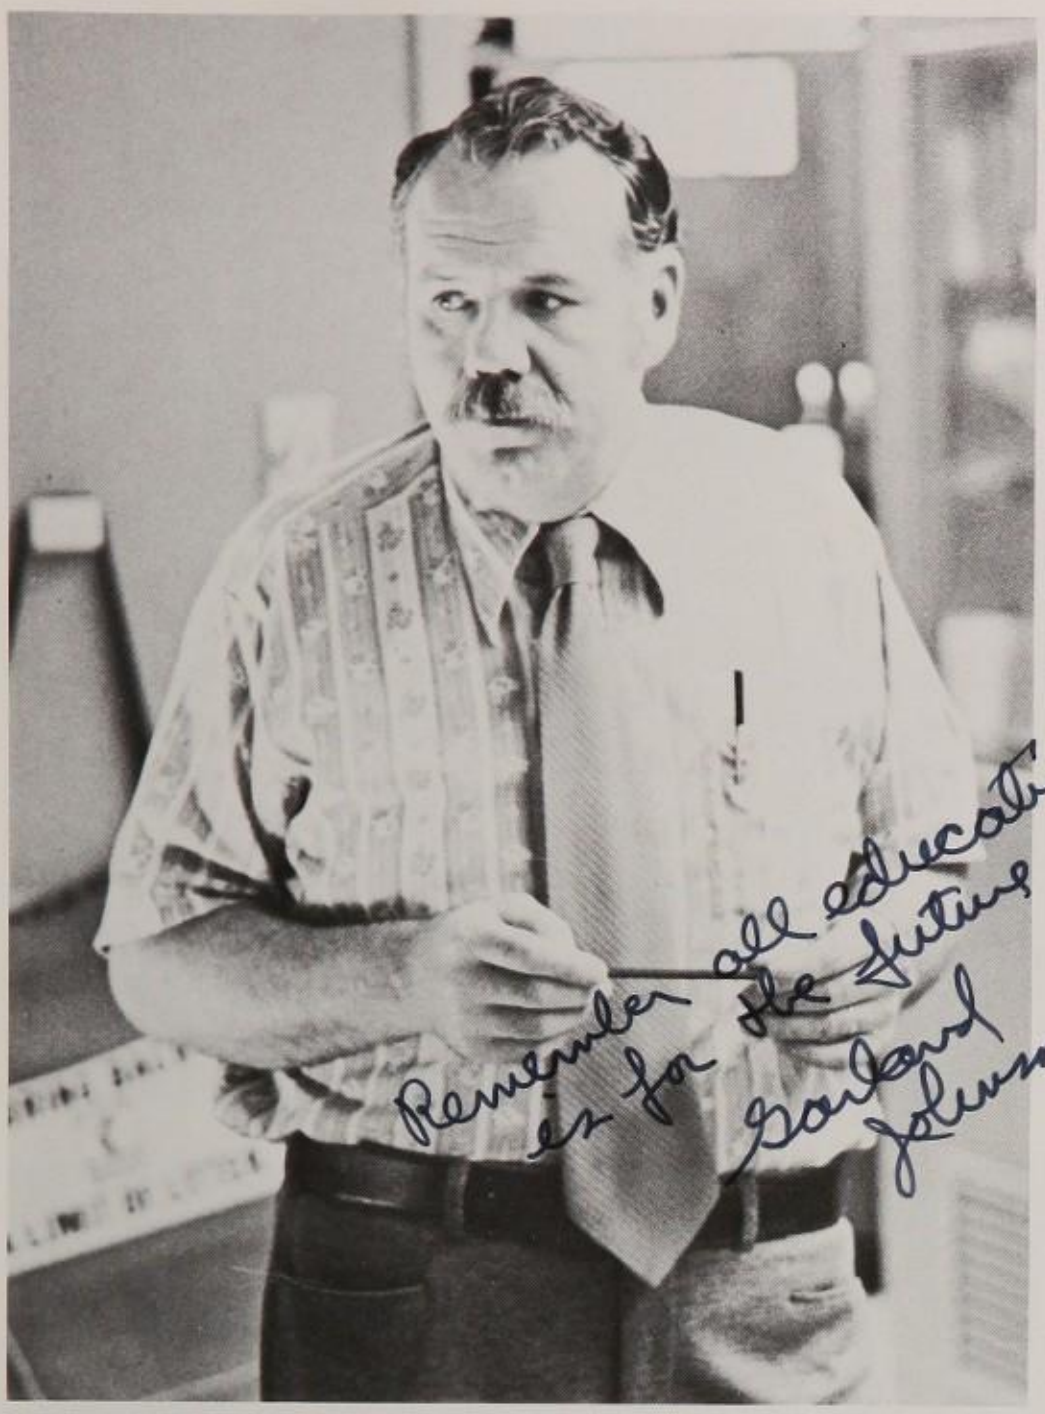
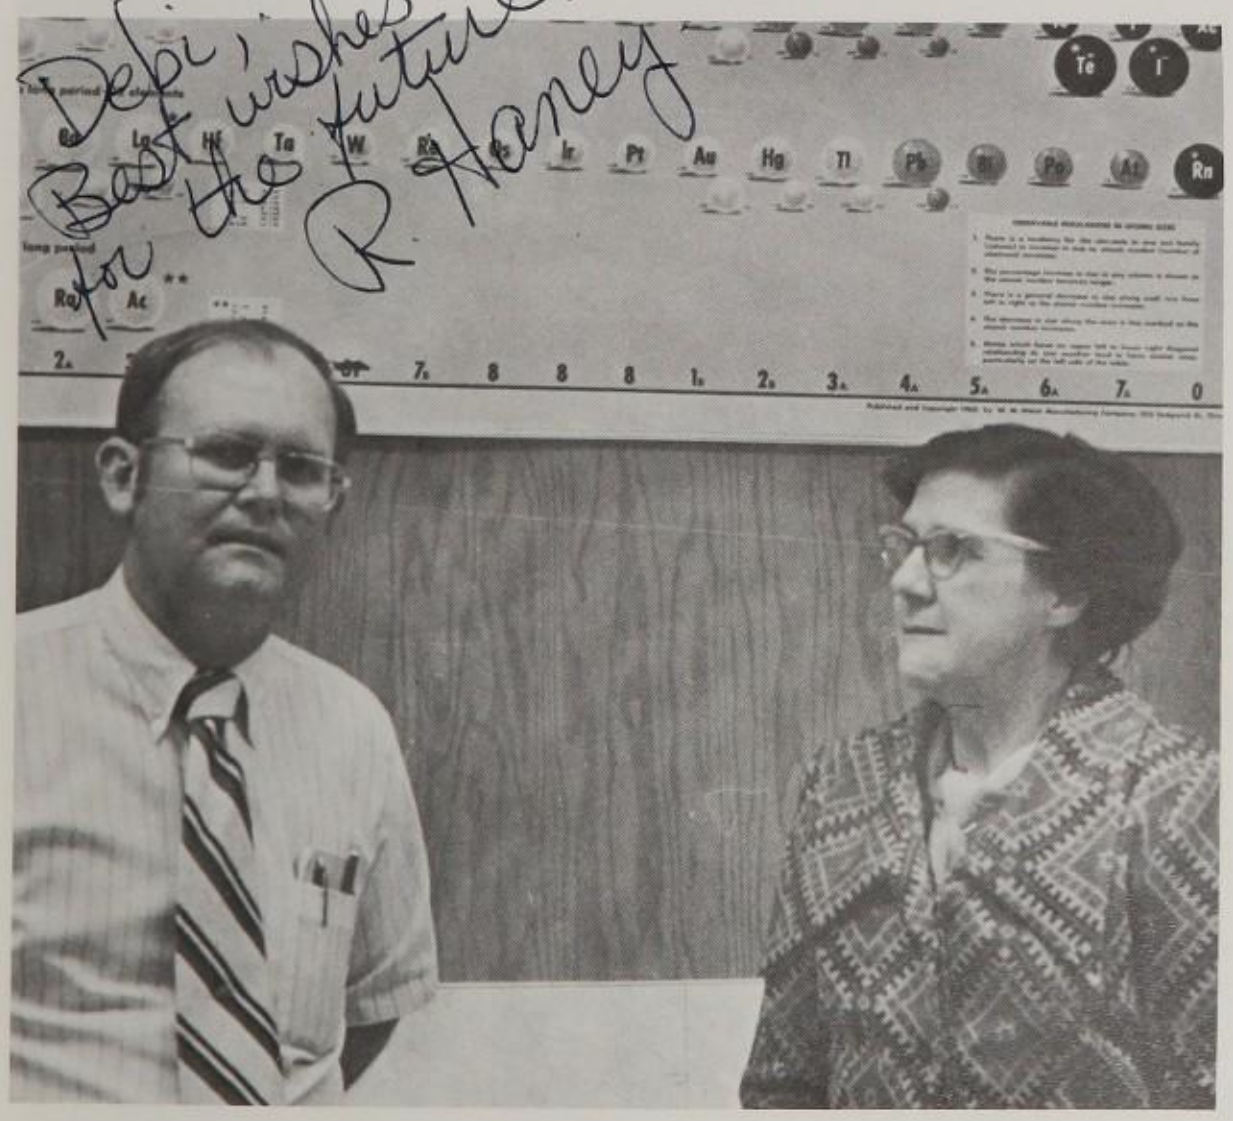
Science Teachers Explain the Mysteries Of the World









The Hoover Science Department offers courses which emphasize the laboratory investigation approach with students spending most of their class time conducting and then interpreting investigations.

Biology is required for high school graduation as it is felt that all citizens must understand their own life processes, as well as how to understand and solve major biological problems. Zoology is the study of animals, their anatomy, physiology and natural history. Advanced Biology is problem solving, independent biological research, and man, society, and technology. Ecology is the study of the interrelationships of plants, animals, and man. Chemistry investigates the composition of substances and various elementary forms of matter, and Physics deals with the natural laws and processes and states properties of matter and energy.

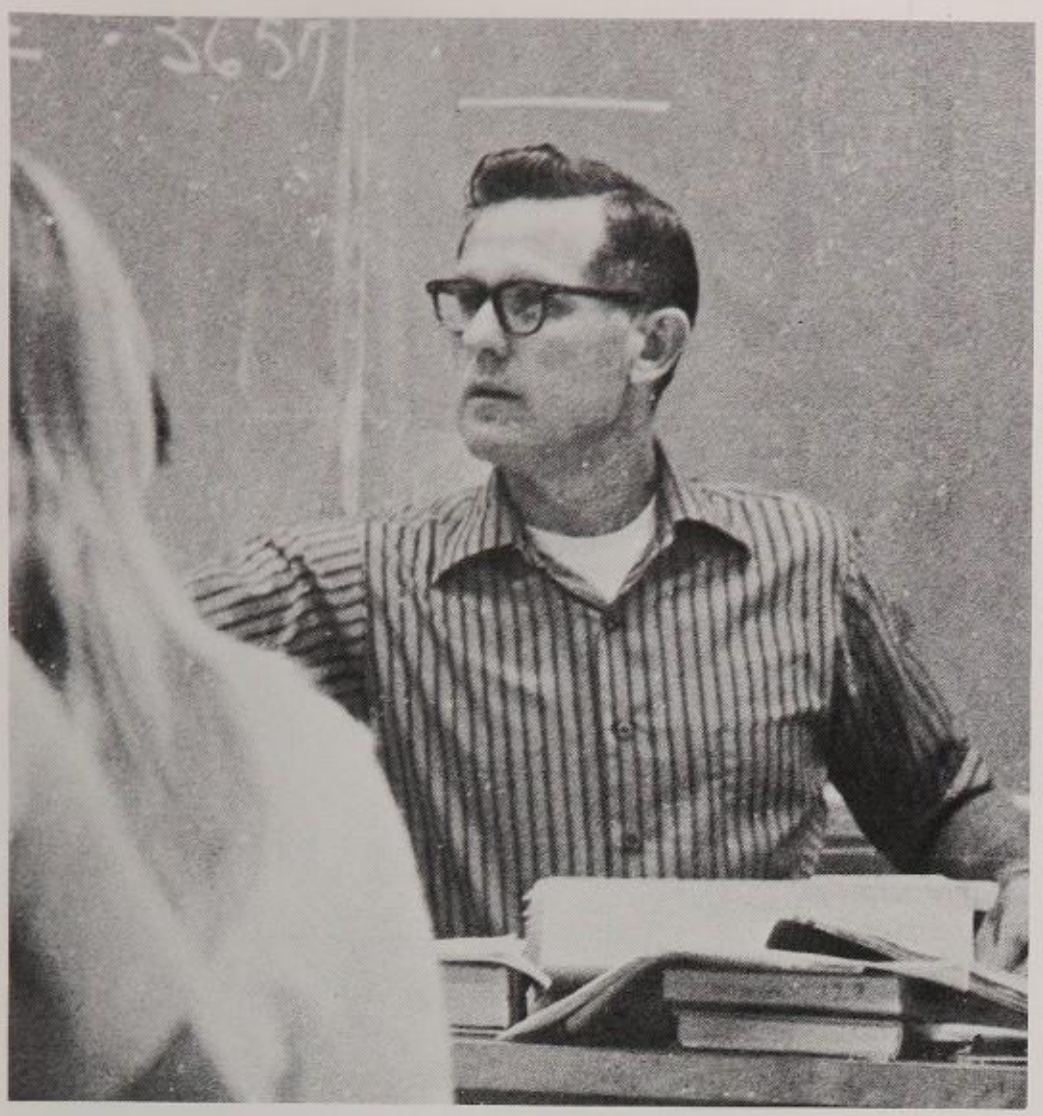
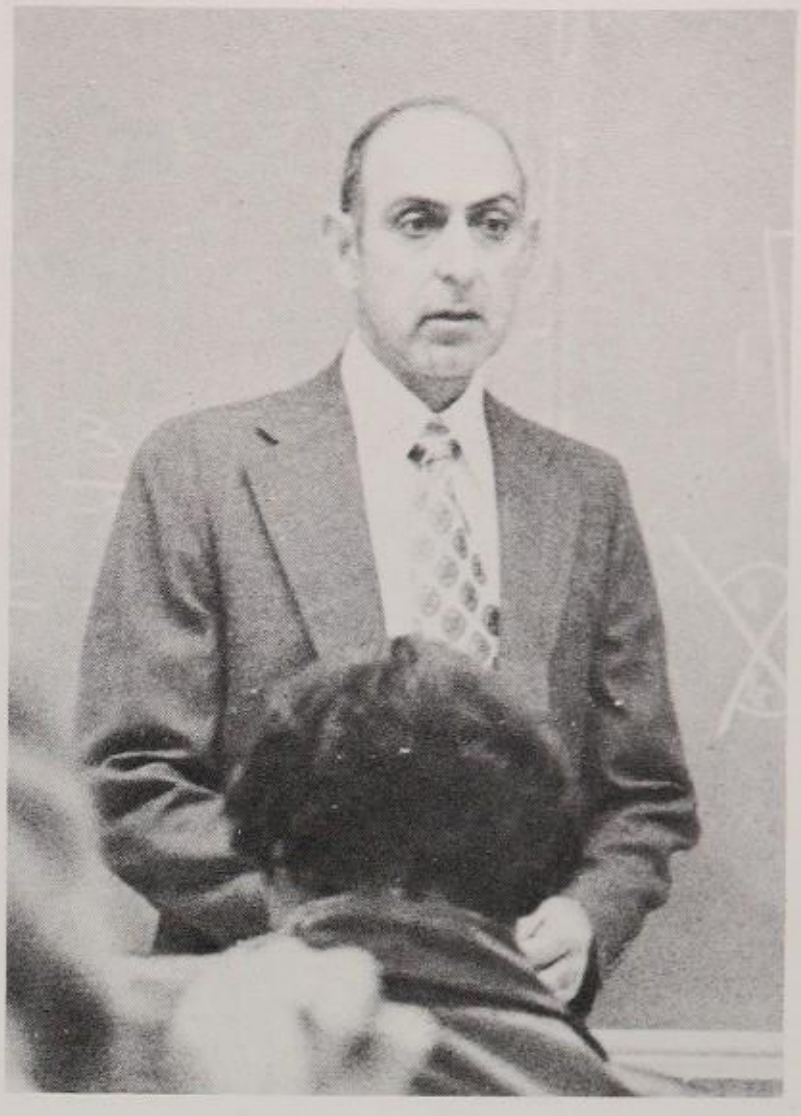
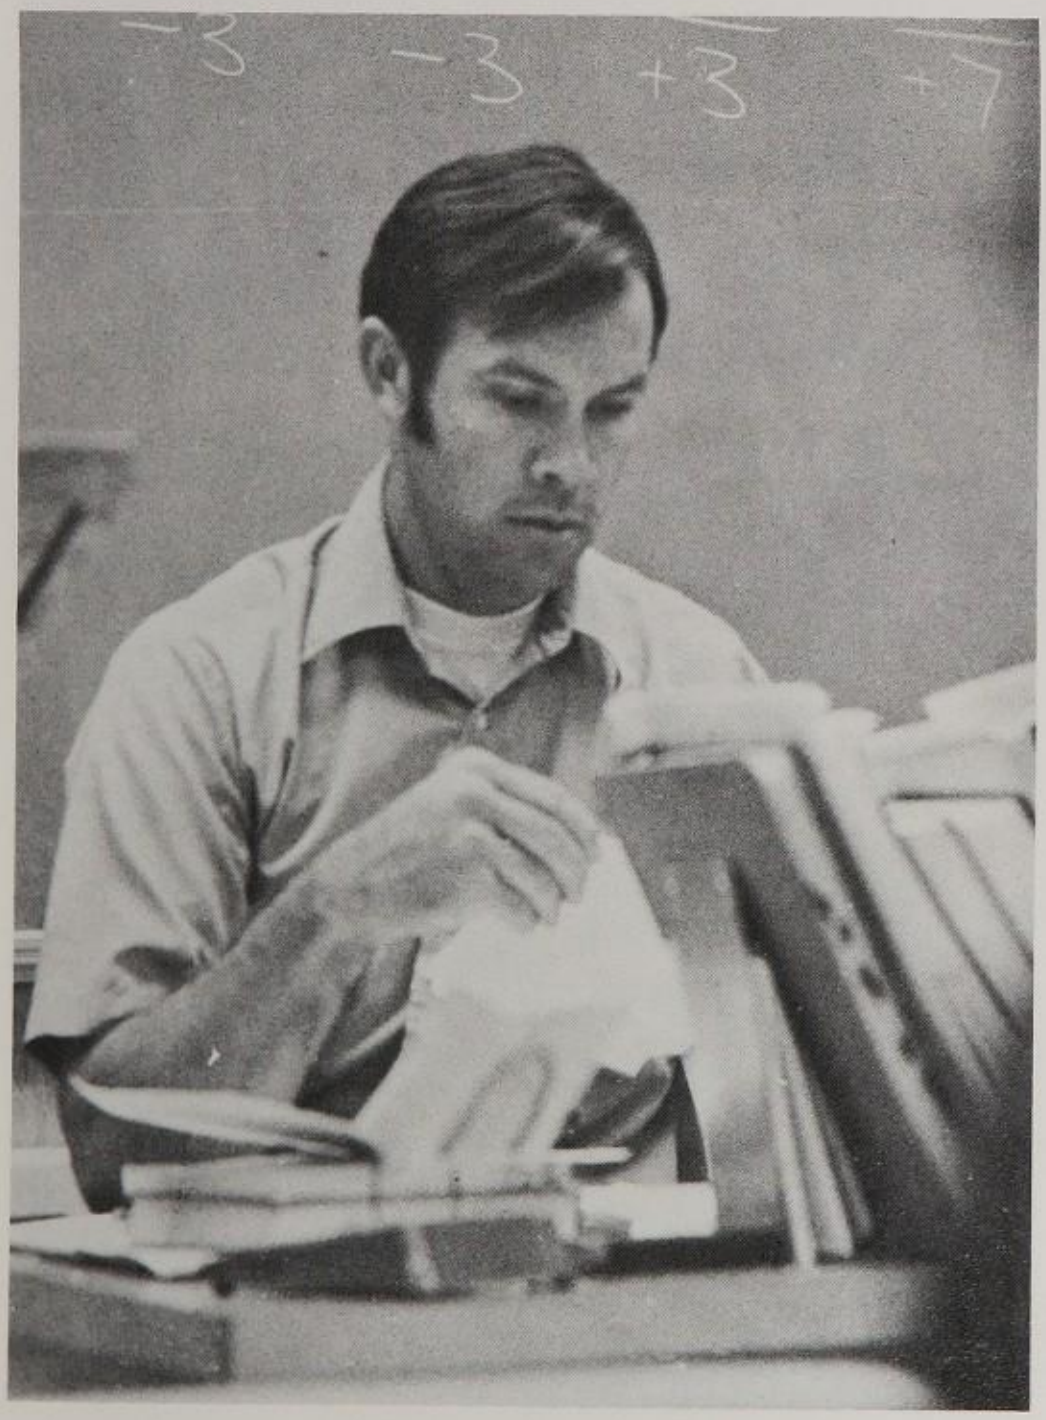
Math Teachers help Students to Calculate their Future







This year, because of student interest, only Modular Algebra is taught. A new course, called Modular Arithmetic was introduced this year and the interest seems very high. Next year Modular Geometry will be introduced and most other math courses will only be one semester. This will enable interested students to take more than one math course concurrently. Modular classes allow students to work at their own pace.

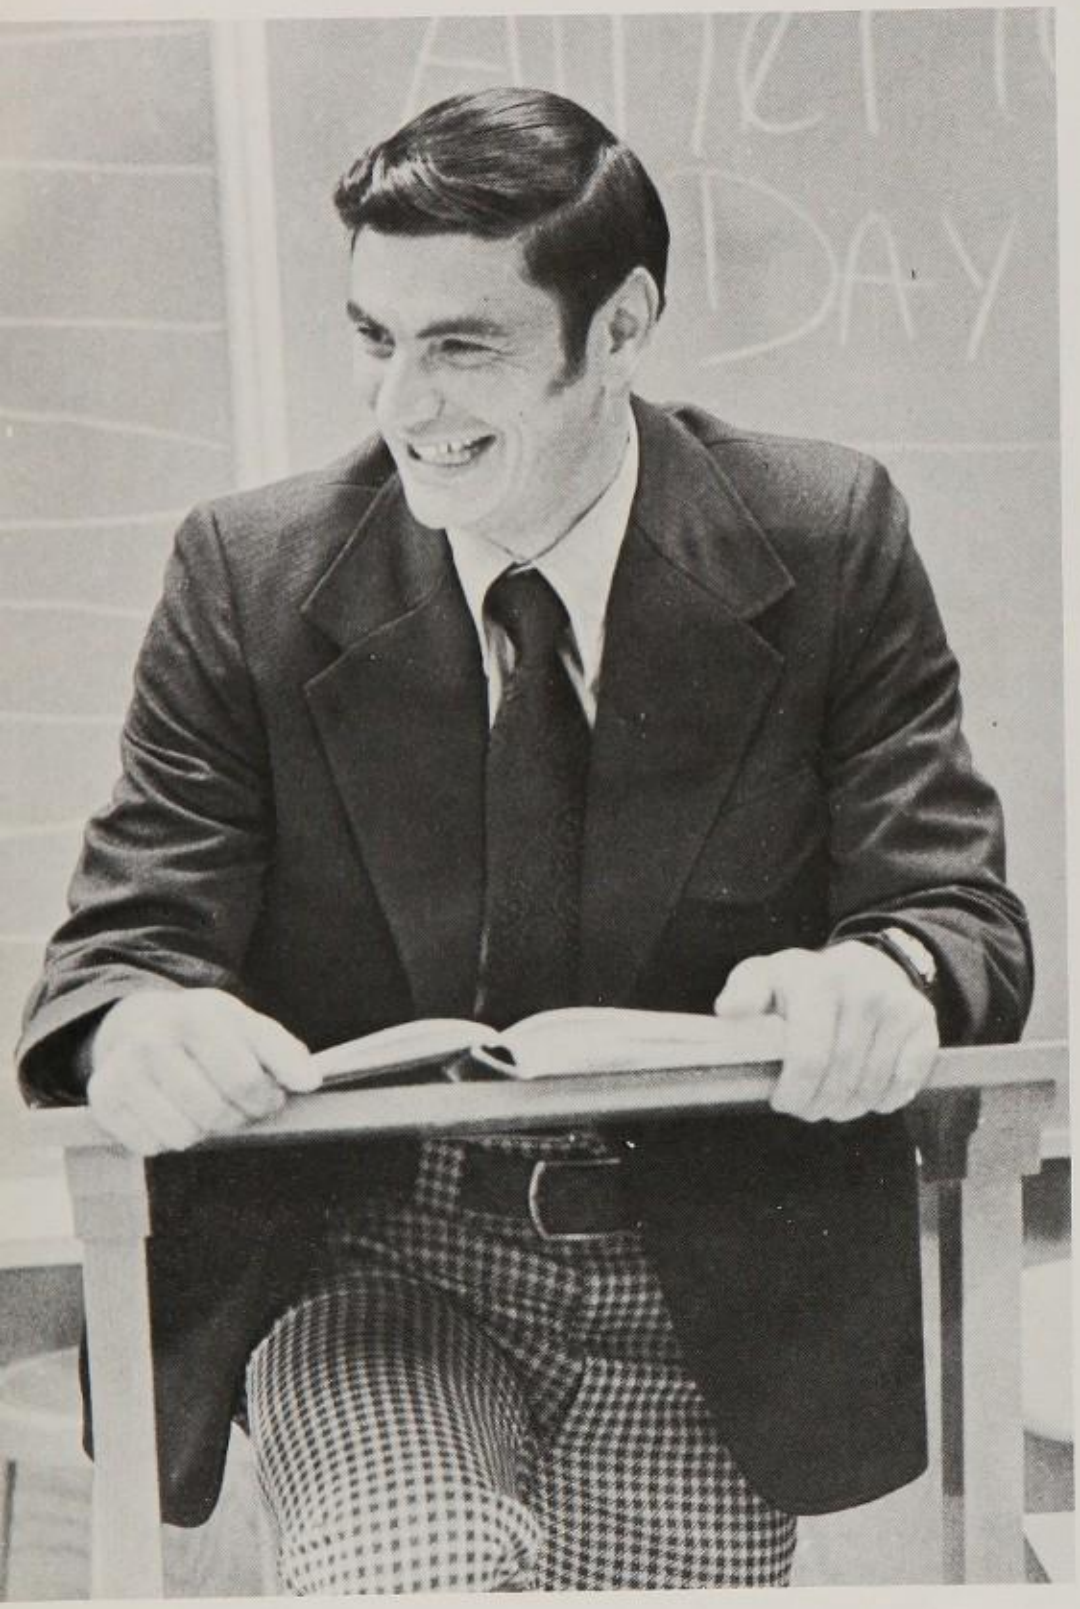
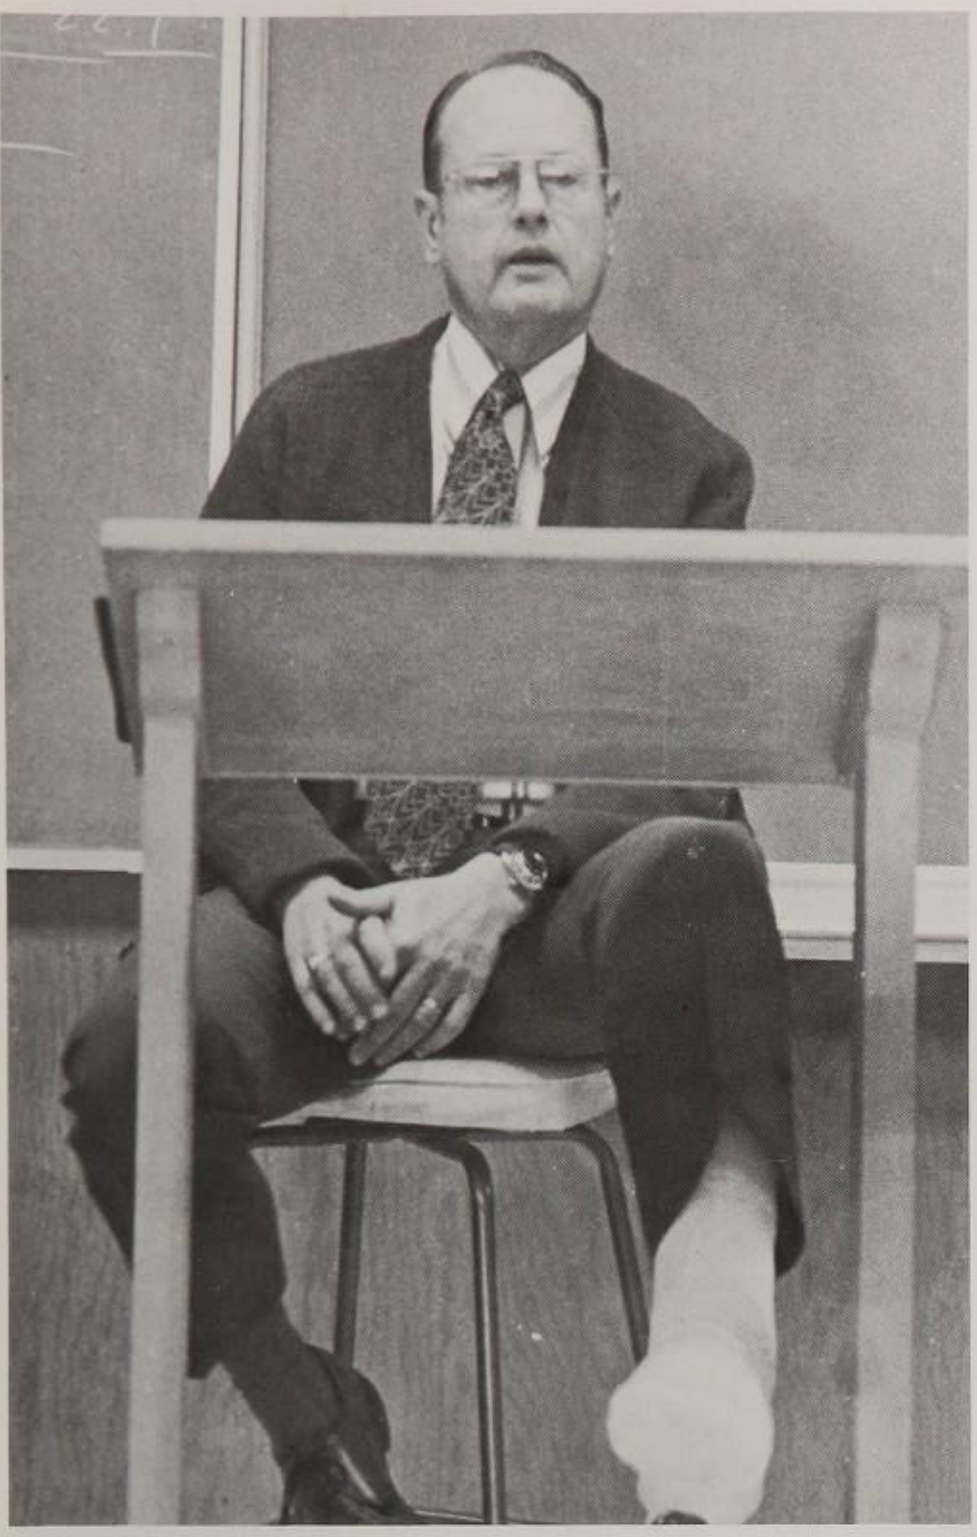
It's all Greek to me





The Foreign Language Department offers French, German and Spanish. Each language has a course offering for classes up to the sixth year with Spanish having a Hispanic History class. The history class is taught concurrently with Spanish VI and is interesting to most of the students in the class. Hispanic History is open to any students interested and that can handle the Spanish language well.

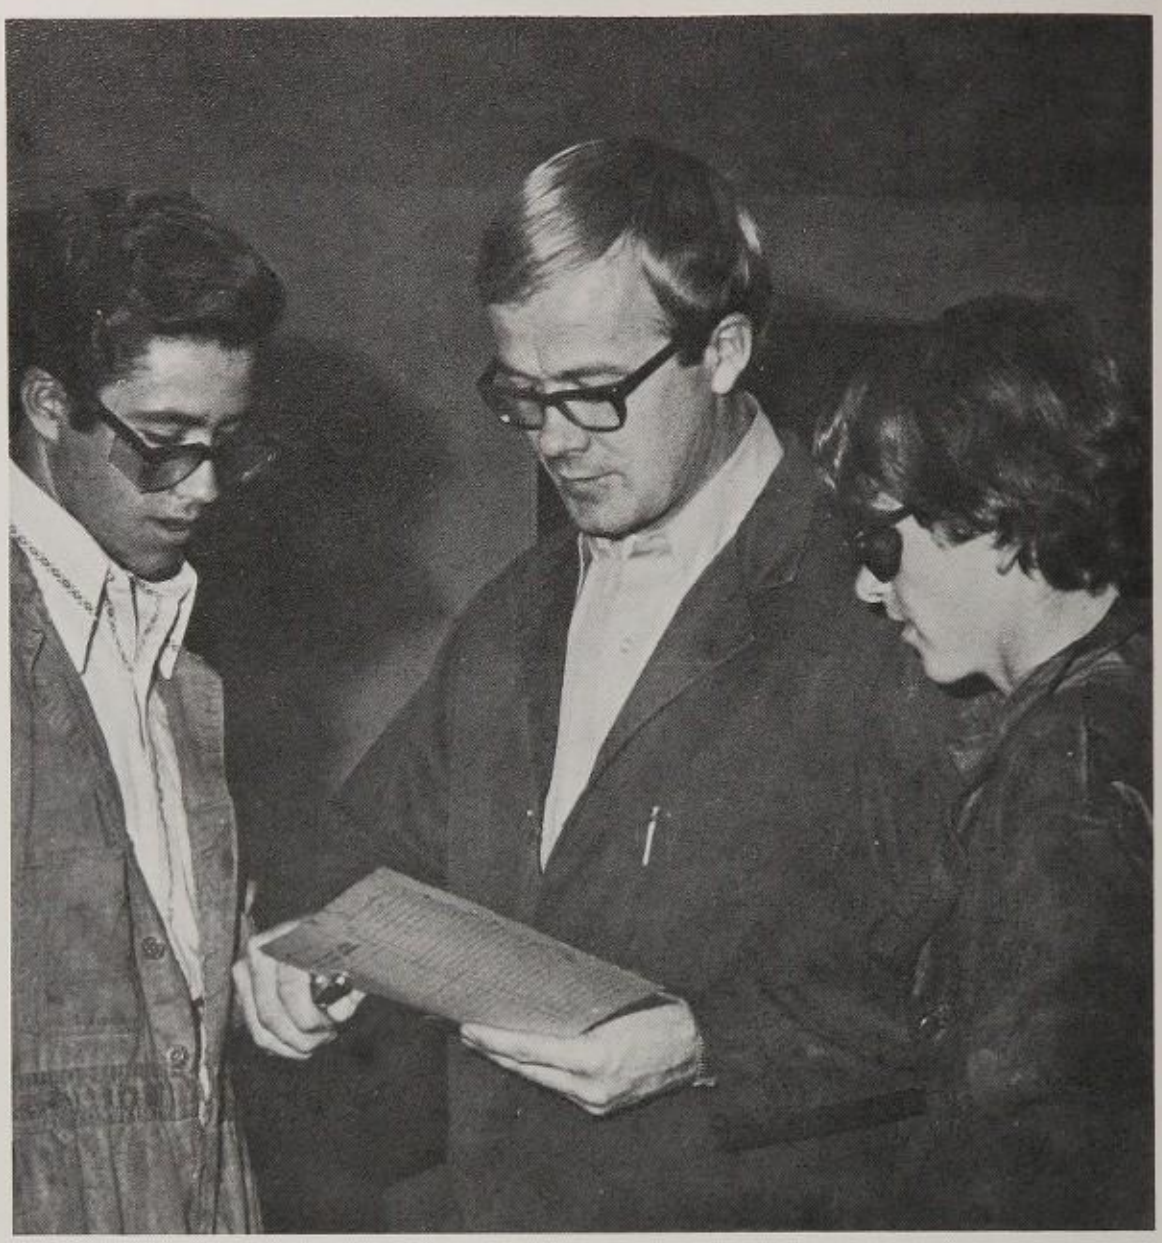
Industrial Classes Turn Coed



The Industrial Education Department fulfills the dual role of providing foundation courses for those students who may be channeled toward engineering and other college degrees or who may enter vocational programs, train in technical schools, or qualify for trainee positions in industry.

In 1973-1974 the department has welcomed an increased number of girls in all classes and has been able to fully develop a new Power Mechanics course which involves a study of the origin, control and utilization of all the types of power available for use today.

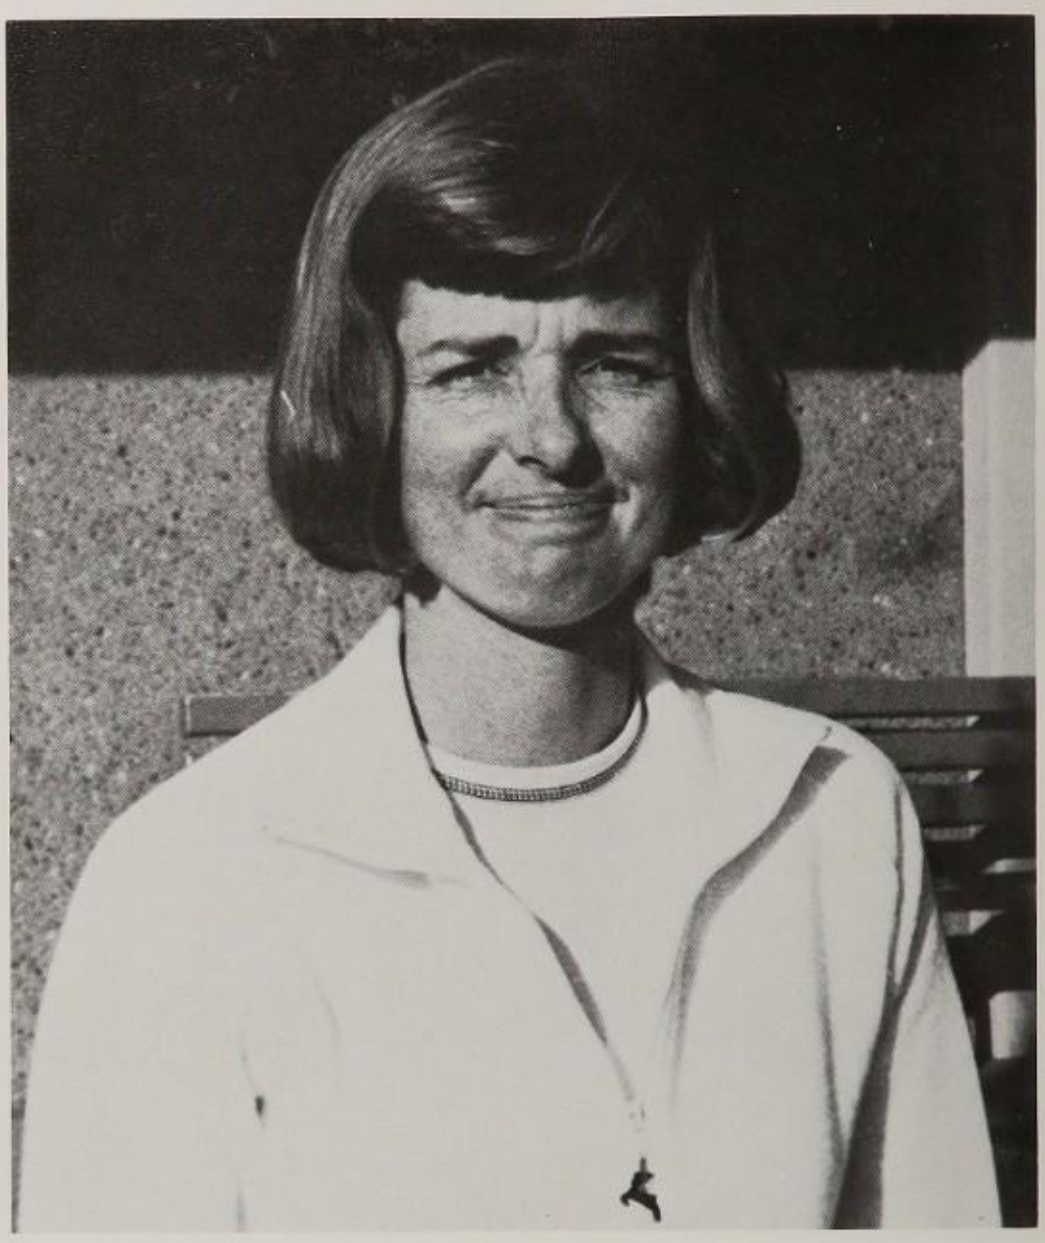
Physical Education



The goal of the Physical Education Staff this year was to develop and perfect skills used in competitive sports. The program helps students learn to get along with one another and work together to win various activities.

Some courses offered to boys are archery, golf, badminton, swimming, lifesaving and wrestling.

Girls were given a choice between beginning skiing, tennis, basketball, speedaway, volleyball, figure control, folk dancing and football.

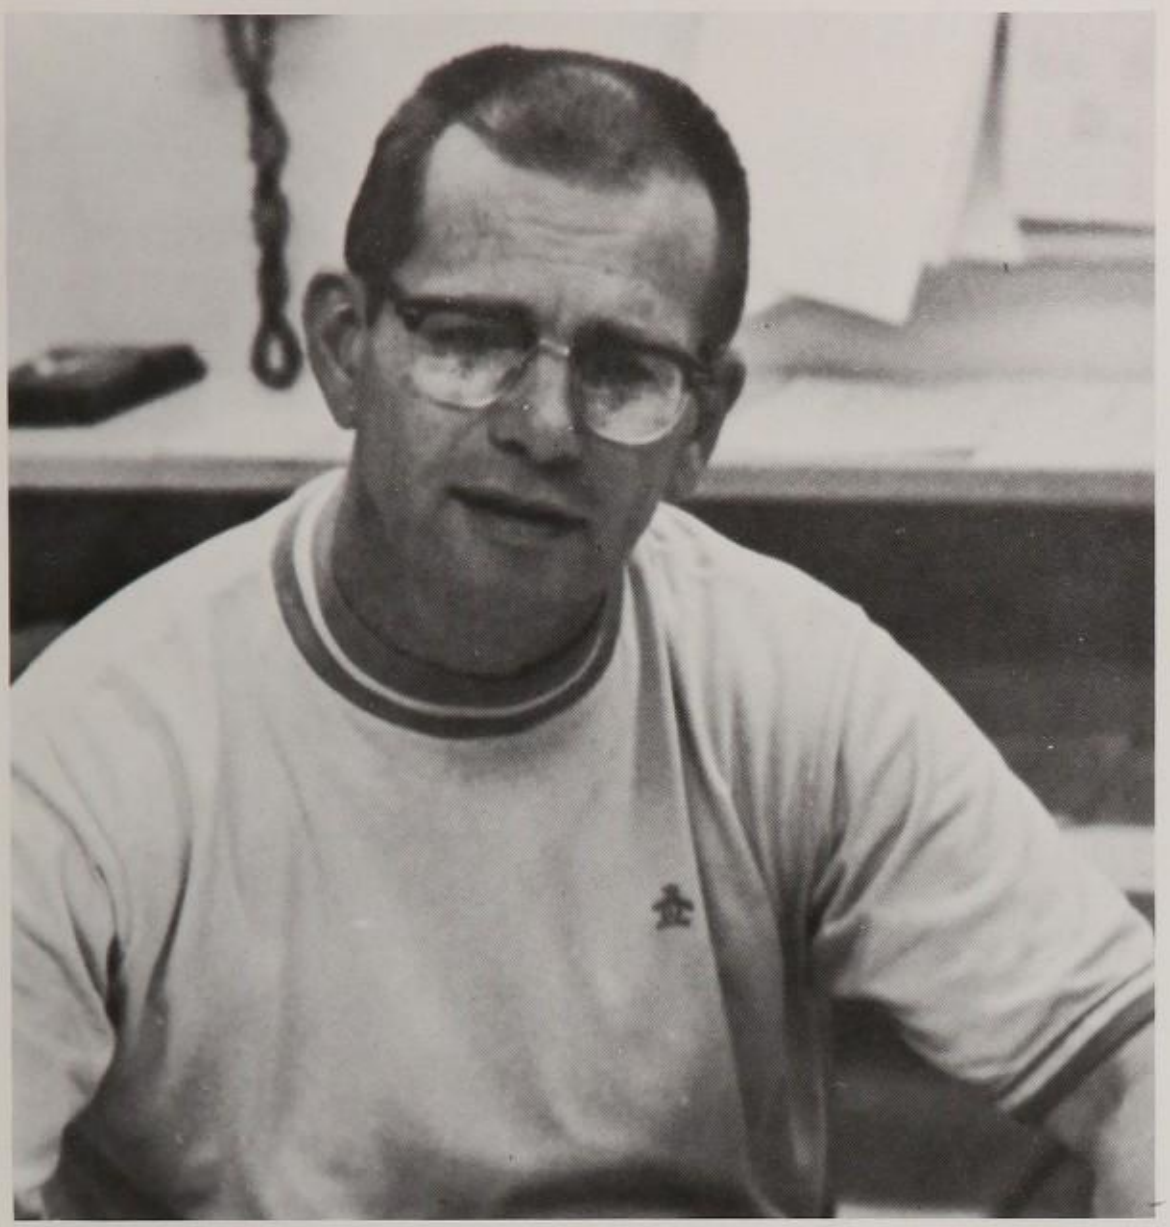
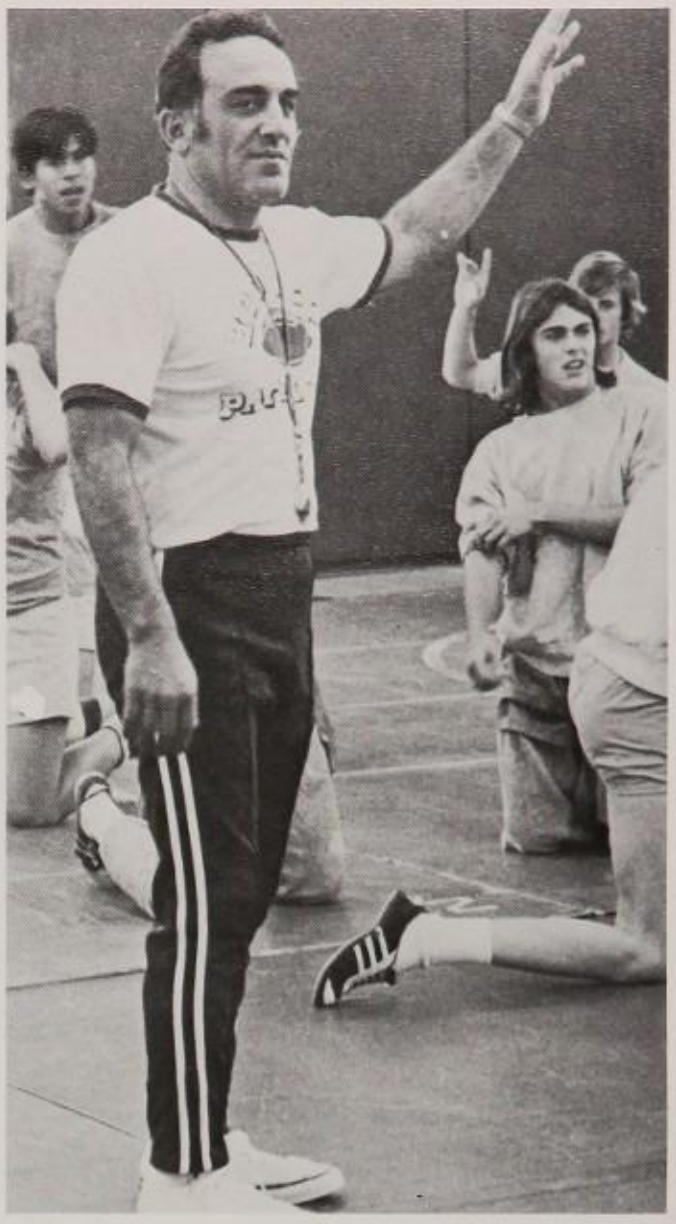
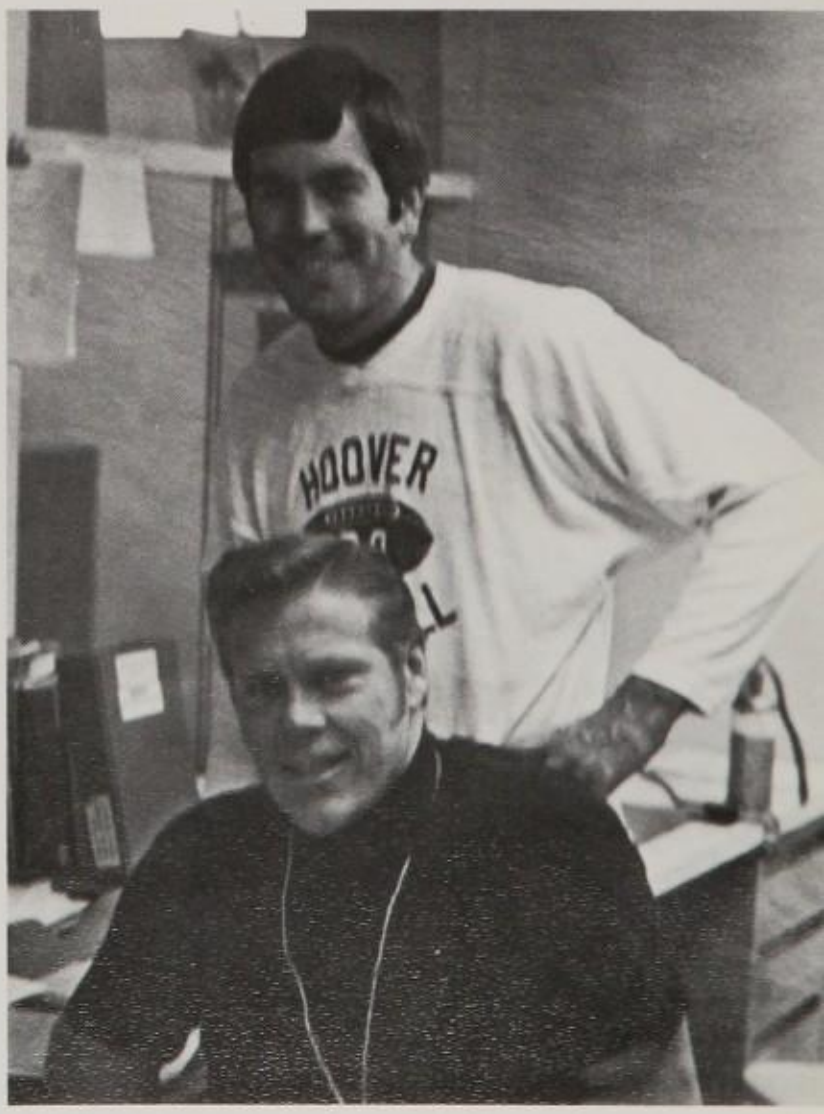
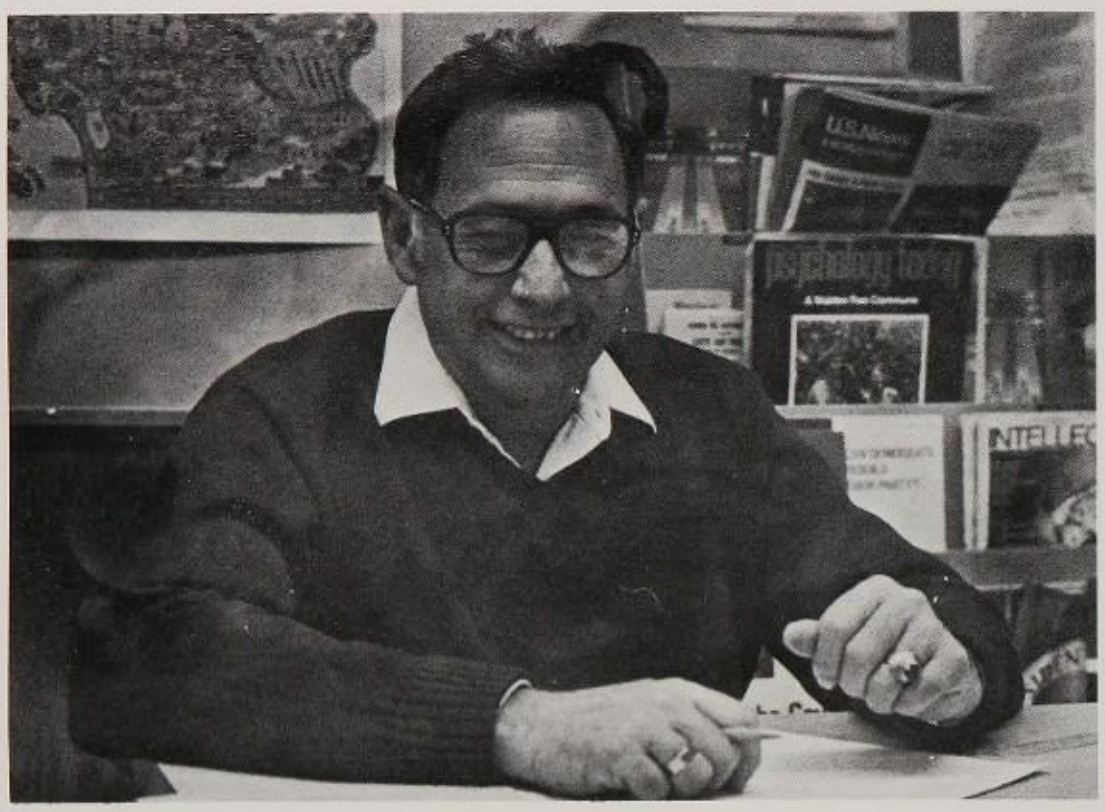
Skill and Technique

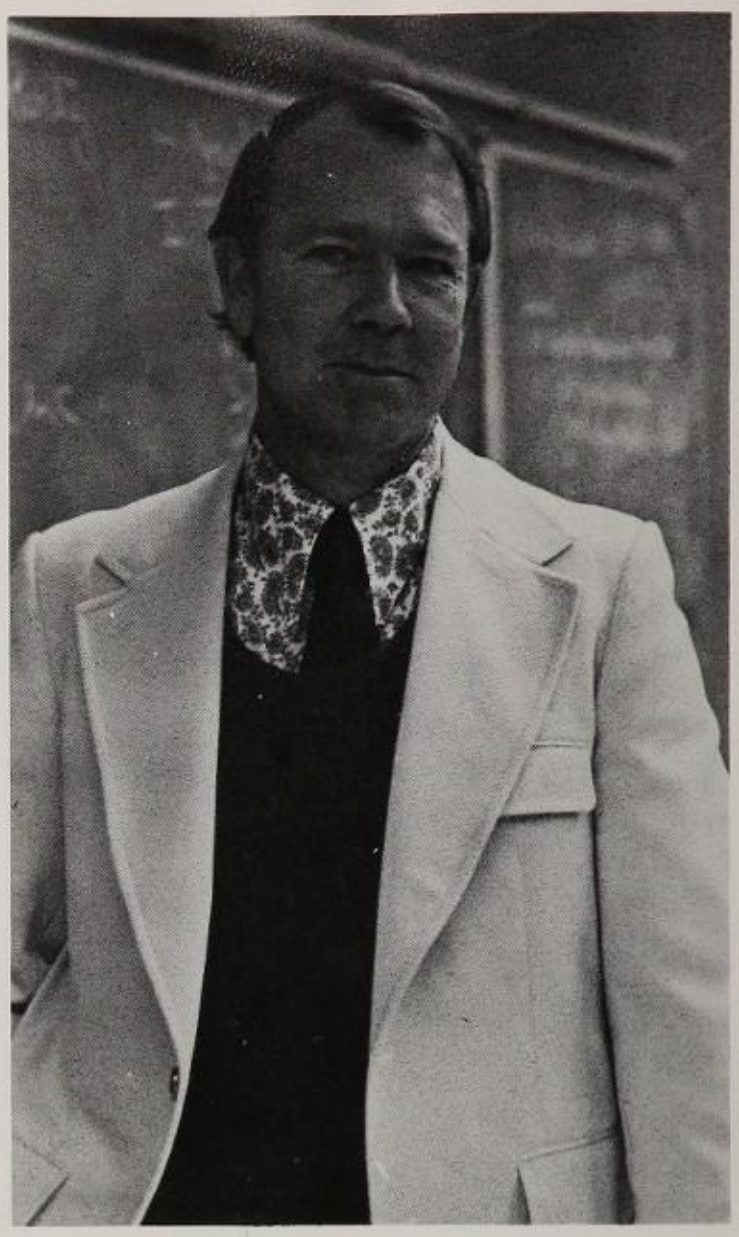


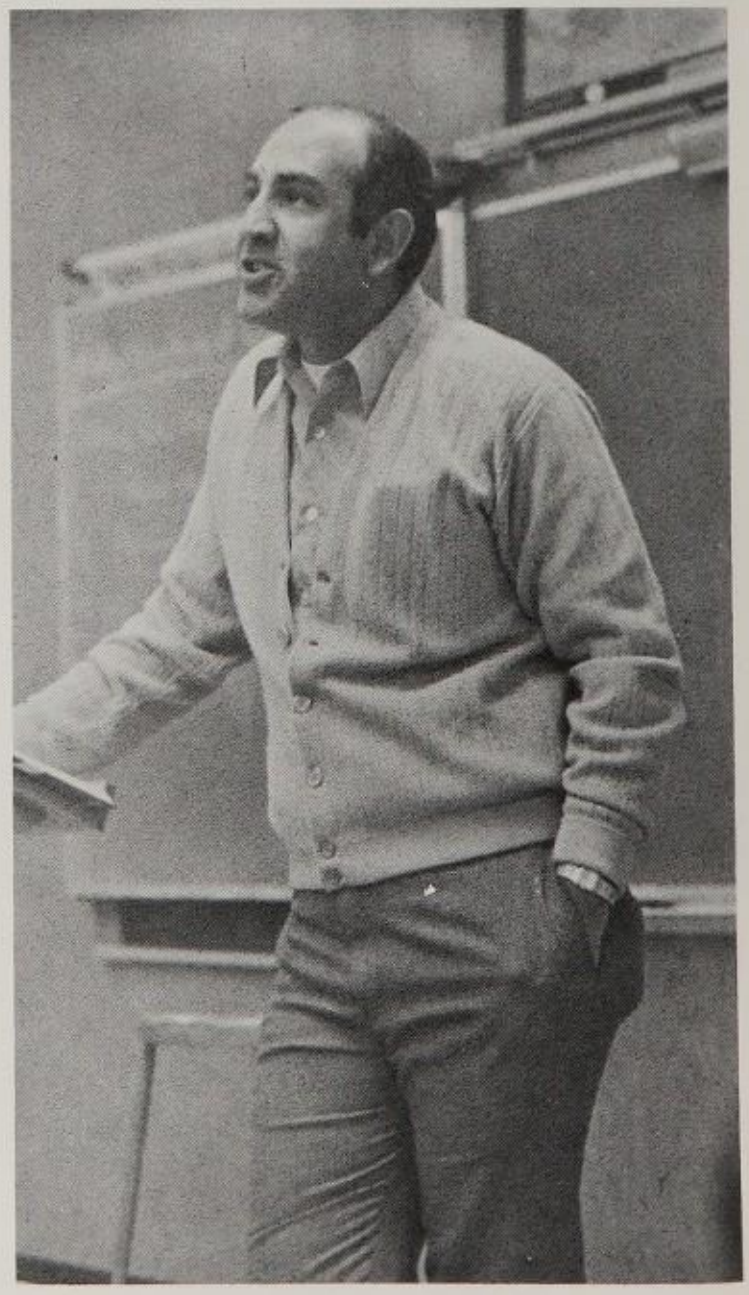


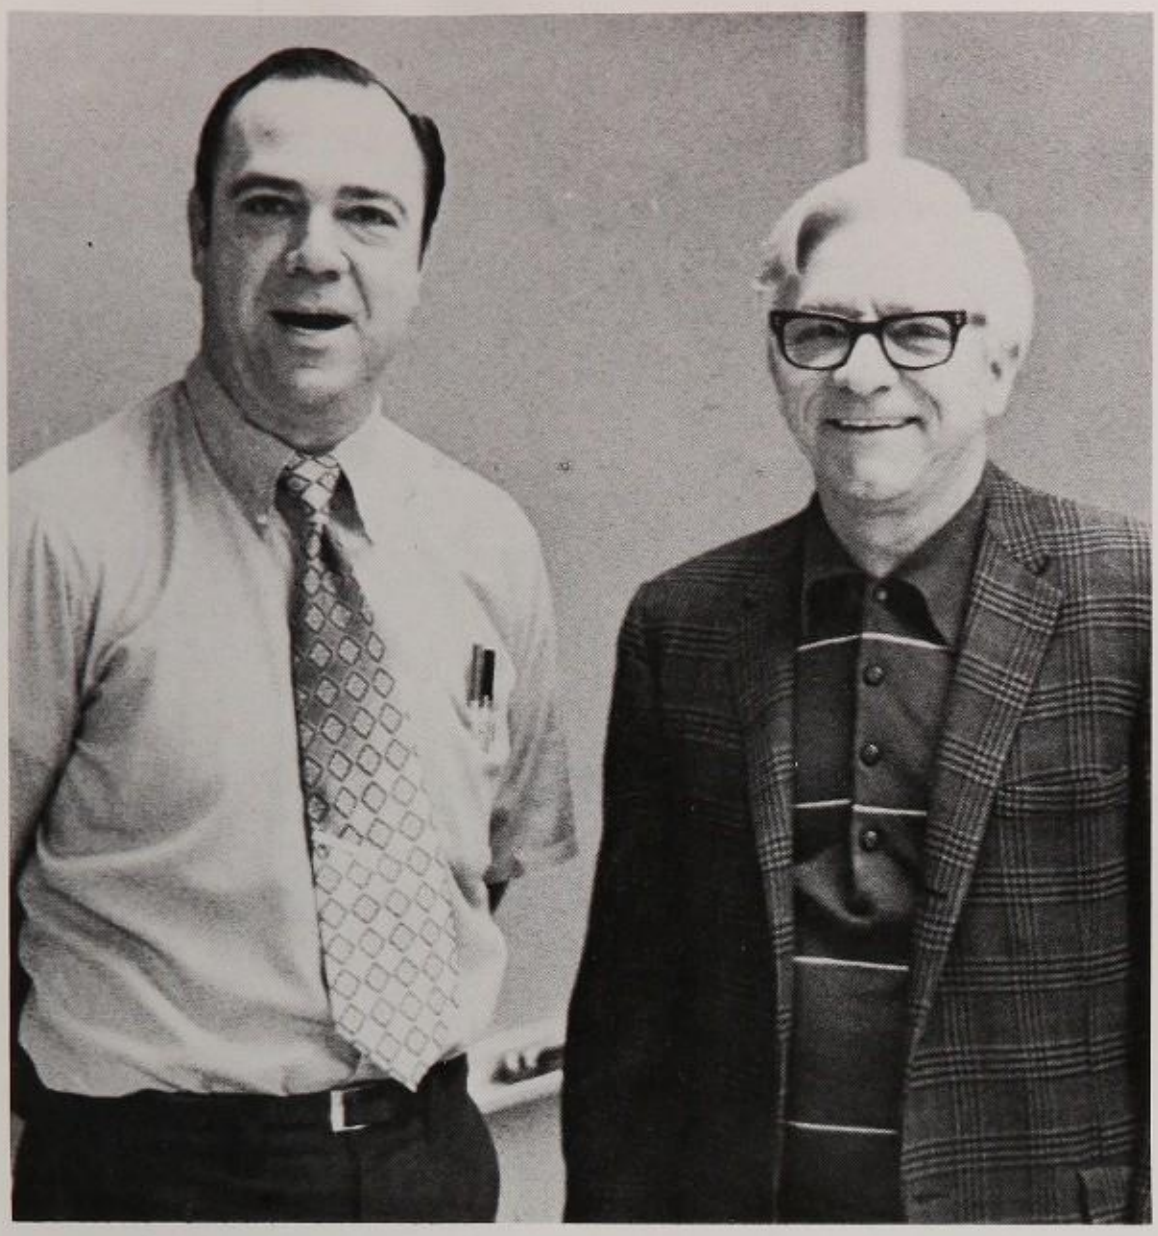


Studying the Past and the Present









The Social Science Department deals with learning how man lived and survived before, how traditions, customs and law has emerged, how man faces his problems now and how he uses the past and the present to plan for the future.

U.S. History, a required class for juniors is the study from early exploration of North America to the present. It explains how our country has become what it is today.

American Government, required for seniors, surveys the fundamental principlas, institutions, procedures, and politics of national, state and local government. Some classes used simulation projects to introduce the different areas of politics.

Some electives offered this year were Anthropology, Humanities, Psychology, and World History.

To Cook
Or To Sew -
That Is The Question

The Consumer/Homemaking Department offers classes which help us to get along in the world. Besides the regular classes in cooking and sewing, some relatively new classes are Sociology and Bachelor/Bachelorette Living. As of now, these classes are only offered to seniors and provide a rounded curriculum of subjects such as money management, cooking, sewing, and child care. They are open to both boys and girls, as are the cooking and sewing classes.

People Who Care

Over the years our library has been steadily improving thanks to the contributions of our librarians. They always seem willing to help and are very understanding towards the students. They put up with everything from stolen government books to ten people at a table. Our thanks to these hard-working people.

The Special Education Department is made up of two divisions, the Program for the Visually Handicapped and the Program for the Mentally Handicapped. The visually handicapped students are students who are partially sighted. They can read in either large print or braille. The materials are typed up by Mrs. Mildred Nattenberg and Mrs. Dorothy Bassett. The mentally handicapped students at Hoover are ones who are educable but need extra help in classes such as English and math. They receive this help from Mrs. Ehrenburg. Mrs. Harness is in charge of the visually handicapped.

Fasten Your Seat Belt

Drivers Education and Training aided many students in learning defensive driving techniques.

Drivers Education, a requirement for graduation, is designed to teach students through films and lectures, the laws of the road. Drivers Training, a six-week course, is a two part program. Half of the time is spent in the simulator trailer watching films and being graded on response. The other half is in the car observing and learning to use the skills practiced in the simulator.

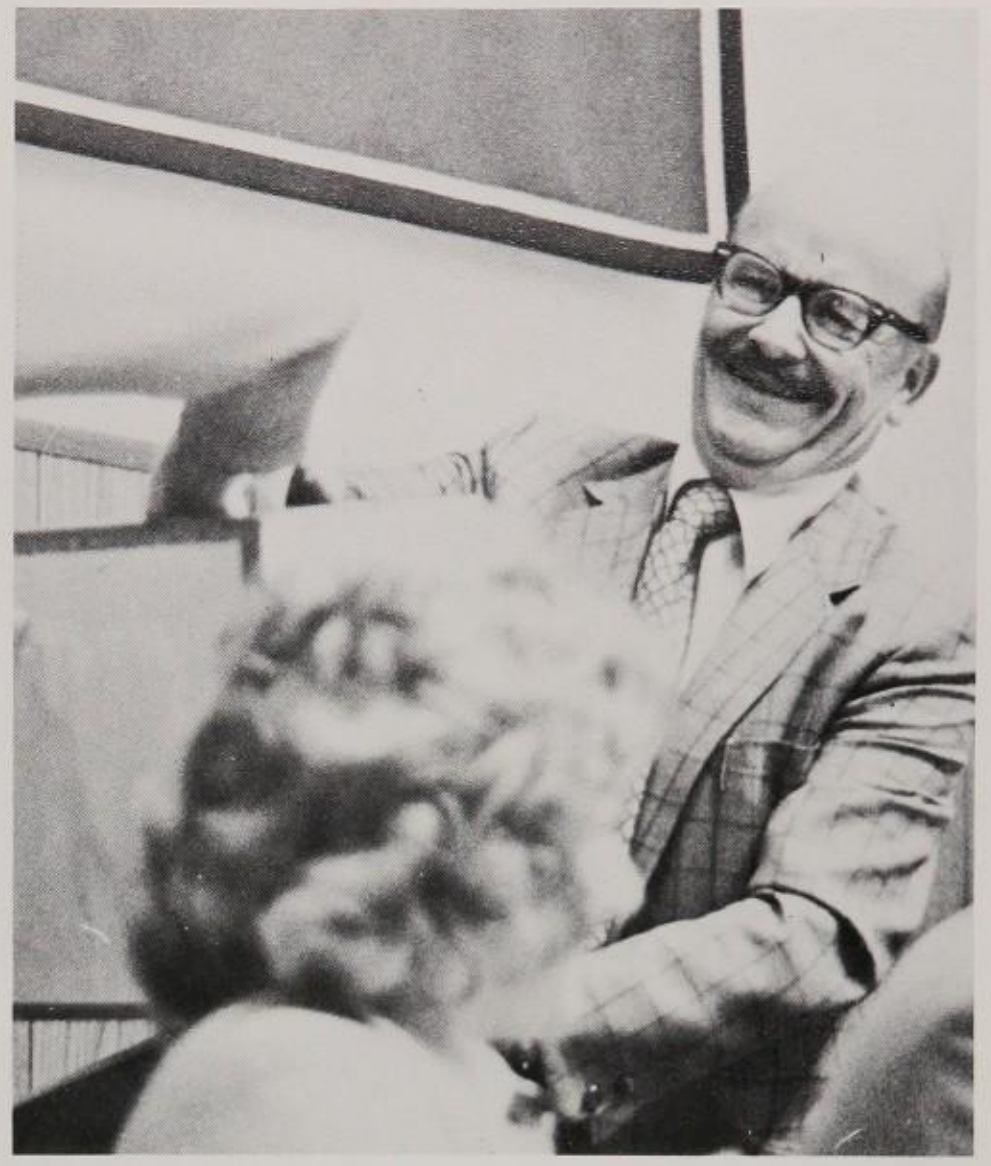
Proud Parents Show Their Pride



This year the Hoover Boosters held a drawing for a color television set. Dennis Mack, the winner was picked at the Fall Sports Awards Banquet.

The PTA Pancake Breakfast made over $200.00 although they didn't get the turnout they wanted. They hope to have an even better breakfast next year.

classes

There were over 2200 students enrolled at Hoover this year. The sophomore class (spirit of '76) was the largest class in number. We had more students involved in sports, activities, organizations, and student government than ever before. The student body and class officers kept the enthusiasm going throughout the year with at least one activity planned for each month.

Hoover's Fall Student Body Officers achieved much of their goals this year. They put on the Homecoming Dance, Class Competition, in which they placed second to this year's sophomore class. Fine Arts Week, Babies For A Day with Hoover's Varsity Football players dressed up like babies and Youth in Government. They went to City Hall to learn about county government and problems and participated in an exchange with Clovis student body officers.

Senior Class Officers apply their Government knowledge

Hoover's 1973 Senior Class Officers main directive is to raise money for their senior gift. They did so by selling Student Directories and banana suckers. They also put on the Christmas Formal.

Below: Senior Class Officers from left to right are: Gina Kaklikian (Secretary of Social Affairs, Kerry Vandervort (Historian), Vince Petrucci (President). Unpictured are: Brian Blackhart (Vice-President), and Kathy Heinrichs (Secretary Treasurer).

Spring Senior Officers Arrange Final Activities of Their Class

The Spring Semester Senior Class Officers' job is to take care of all the final Senior Activities. This included Senior Day, Senior Breakfast, Senior Plague, and the Baccalaureate Service.

Hoover's 1974 Spring Senior Officers are from left: Eugenia Gaston: Sec. of Treasurer, Michele Davis; Vice-President, Cathy Davis; Sec. of Social Affairs, Carrie Der Garabedian; Historian, and Becky Mueller; President.

Juniors Govern Their Class and Gain Experience

This year's Junior Class Officers got their spirit going by organizing the selling of football programs at our football games. To raise funds for the Junior-Senior Prom they arranged to get a jukebox set up in the cafeteria. Not only did the jukebox help to raise money, but it also livened up our noon hours.

Hoover's 1973 Junior Class Officers are from left: Helena Rocha (Historian), Rod Horn (Secretary of Treasurer), Steve Marsh (Vice President), Judy Parkey (Secretary of Social Affairs). Unpictured is Robin Peterson (Junior Class President).

1-9-7-5 Spirit

Hoping to make the Spring Semester more exciting for the students, the Junior class planned many activities. Starting with Valentine's Day, the Junior Class sold carnations to raise money for the Prom and to make Valentines Day more than, "Another Day." Still scrounging for funds for the Prom, the Cabinet held a drawing for many fantastic prizes, such as records, gift certificates and many other things. By the success of the preceding activities, the Junior Class Cabinet proved their sincere interest in all students at Hoover. The officers were: Pres., Steve Marsh, Historian Helena Rocha, Vice-Pres. Jenny Allen, Sec. Soc. Affairs Paula Mueller, Sec. of Treas. Kathy Moore.

Quotes by Kahlil Gibran

Debi,
words can't describe
how I feel for you
not only as a sister
but as a person, I feel
I've gotten to know just
a the surface this year
but I would truely
like to get to
better, I really hope
that you'll stay a while
as you are and keep
contact with me
Remember stay
and with God
you will get along
wonderfully.
With my friendship
deepest

Sophomores Start It Off Right

In September, sophomores elected officers for the fall semester. They were: Lynn Little, President; Kathy Baker, Vice-President; Kim Guida, Secretary-Treasurer; Jeanne Alexander, Secretary of Social Affairs and Laurel Owensby, Historian. Among many other activities, the sophomores won 'Class Competition' this year. It was a great semester for the sophomores.

Spirit of '76 . . . Spring

For the spring semester, sophomores elected Lynn Little, President; Marsha Boring, Vice-President; Debbie Schumacher, Secretary-Treasurer; Jeanne Alexander, Secretary of Social Affairs; and Daisy Krubnik, Historian. The sophomores accomplished a lot during the spring, and all the sophomores had a great year.

Debi,
another year over, and
only one more to come,
the Big one "1975". Didn't
really get to talk much
but maybe next year
we will get another class
together. Have a good
summer. I wish you the
best luck in the future.
Love ya

We'll give you a month's vacation to spend the money you saved on food, rent and medical care.

In today's Army a young woman or man doesn't have to worry about necessities like food, rent, medical, and dental care. They're all free.

We take care of almost everything. Including your month's paid vacation. And when you start at $307.20 a month before deductions, you'll have plenty of money to do your vacation up right.

But today's Army will give you more than a nice vacation. We'll give you a good job all year round. And teach you to do it well.

And should you want to continue your education, we'll help you do that too.

No matter what you're looking for, todays's Army has a lot to offer.

Call or see your local Army Representative.

Today's Army wants to join you.

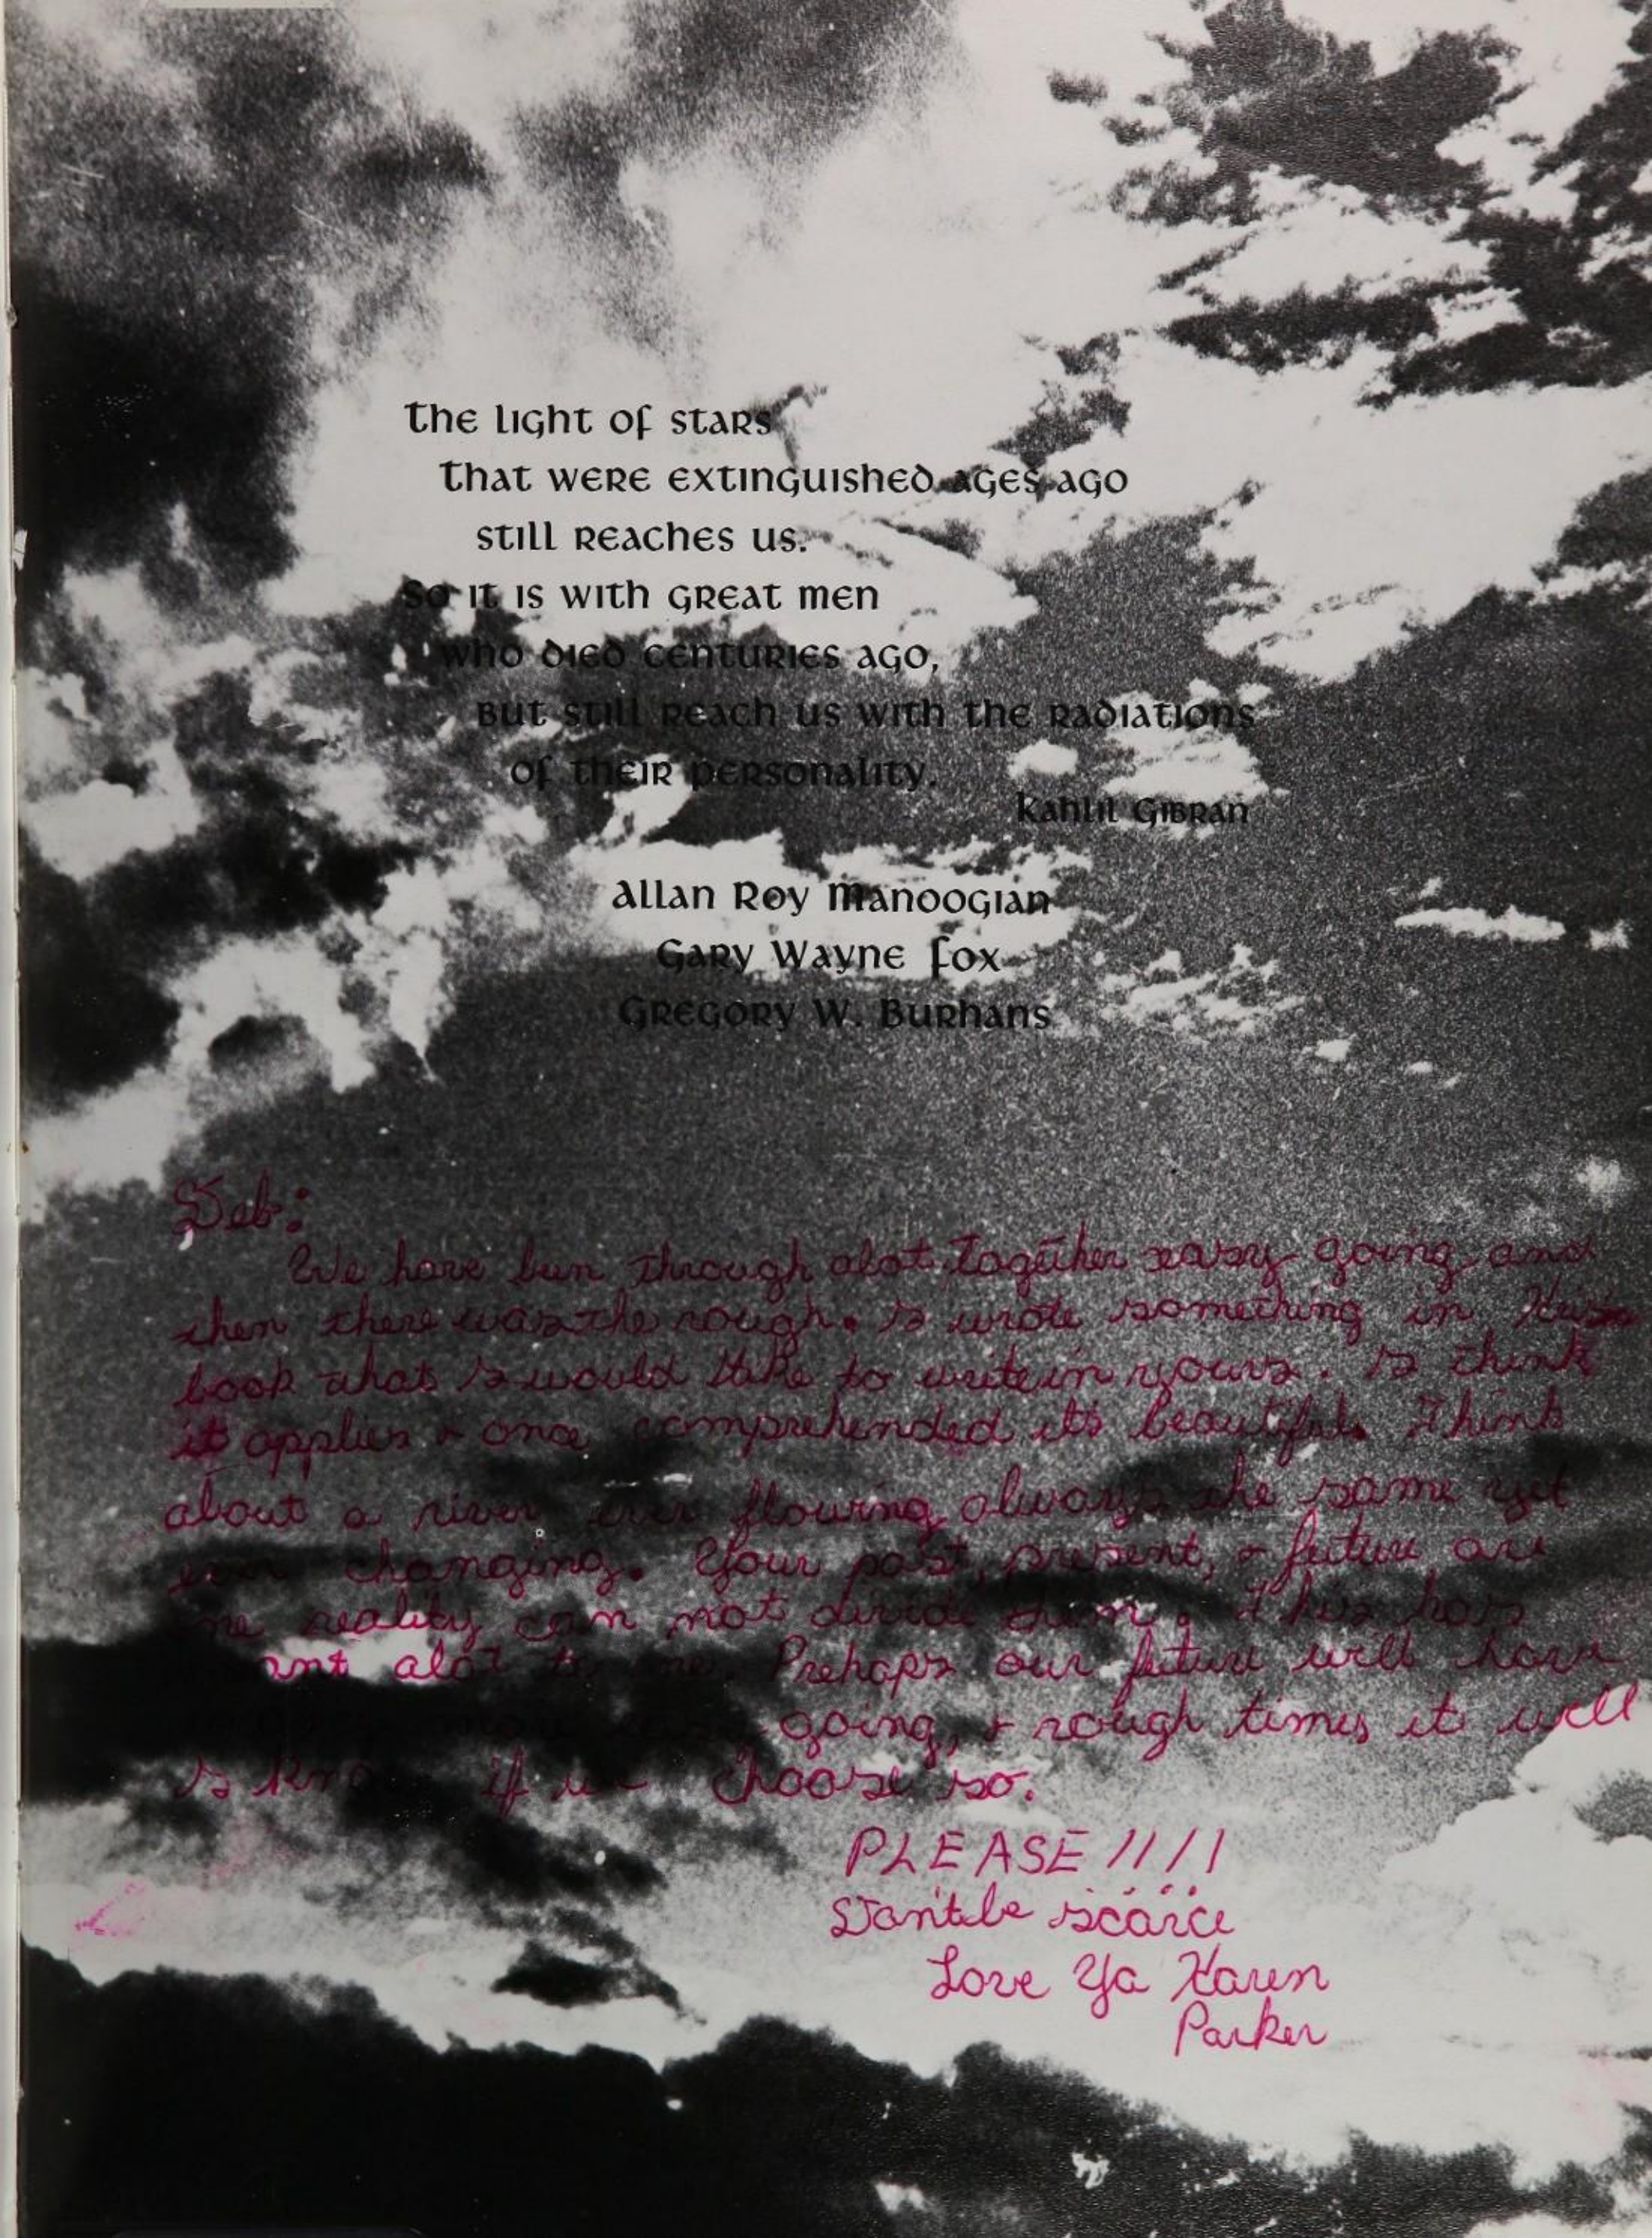
In Appreciation

The Memoir Staff would like to give a special thank-you to some very important people who helped us throughout the year. Hood Studio photographed all senior pictures and also helped out by covering many activities. H-J School Services was the communication between us, the yearbook staff, and Pischel Yearbooks, Inc. in Pasco, Washington. They were also a big help in the planning of this year's MEMOIR.

Right: Mr. Tom Robertson, owner of Hood Studio, and Rick Hollins, photographer.
Below: Mr. Doug Stanley and Mr. Tom Larson, representatives of Pischel Yearbooks.



the light of stars
that were extinguished ages ago
still reaches us.
So it is with great men
who died centuries ago,
but still reach us with the radiations
of their personality.

Deb:
We have been through alot together sorry going and then there was the rough. I wrote something in here I took what it would take to write in yours. I think it applies + one comprehended it's beautiful. Think about a river ever flowing always the same yet ever changing. Your past, present, + future are the reality can not divide them. They have been + are alot + are. Perhaps our future will have ups + downs, + rough times it will
it's here if we choose so.

to hoover high
this song we raise,
our alma mater's
name to praise.
to green and white
we'll faithful be,
to thee we pledge
our loyalty.

may thy colors
high be flown,
and may thy might
be ever shown.
may thy spirit
never die,
but live to strengthen

Hello. My friend. I am,
Oh yes, hasn't the past all to have seemed a dream. It all doesn't seem real. But I'm glad it all came about. I just wish I could have delt with it better. But what matters is today, and I'm getting my head together and heading in the right direction.
I am glad we are Christians I feel without God we would be no where, but a Continuous Circle, and not being able to go straight ahead. I'm happy you have put all over to him it's the only way to have Complete results.
I too, am glad you are going to summer school so we can see each other more often There are so many word to say and the space and time doesn't permit me to write them down, so take care Debi and all will work out for you. and by the way I love you too.

Friends?!!
Rightly
Judy

Dear Debi,
I wish I could see you more this year. Maybe we could talk a little more. You a good friend to have and hope to see you in the future. Enjoy
David Sutton "74"

Debbie
It's hard to
say goodbye
so I won't. I'll have
to come by this summer!
I really appreciate your
friendship, this year has been
quiet enlightening for the both of us!
Remember the retreat! Many seine. I hope
you have an good & senior year. You really
made this year that little something special
to stay straight and don't get uptight

Love Anne Rundell

dear debi,

I've got so much
I want to say but I
don't know how. I
love you so much so
we'll have to keep
in touch after school's
out. You've really been
nice to me and I'm
going to miss you.
Keep faith in the Lord.

Love Always,
Cindy Ford

Debi,
It's been a great
year & I'm really glad
that your such a great
friend. May Christ shine
through you always!
See you this summer.
Love in Him

Debbie—
Wow! What a
car! I say, hurry
things are work-
ing out for you
& I've been praying
that you would meet someone
new and different this time.
You know since school started
I have always wanted to talk to & get
to know you. And I think
Debbie you have grown so much
these 2 months ago. There seems like there is
a look in your face. Keep it that way &
praying for the people who read your most.
this summer & it by chance you
number is 439-6155. I will be with you
for you. And next year we can
Hope has done for us during
this summer.

P.S.
Thanks for
listening
to me!

Dear Debbie,
It's been fun knowing you and somehow, someplace, we probably will run into each other again. Take care, Bye!
Love ya,

Debbie,

I have so many different feelings, it's hard to know what to write. You have a great love out-look which is a gift. I hope you life will become the life you want. Have a super Summer & don't flirt with all the boys - save some for me.

Love ya,
Susan Wyland

Debi, it was fun having you in Chemistry & I enjoyed listening to your singing. Anyway - you should come over sometime & we'll make a crackup sick you are. Have fun this summer and take care - love always

Mark

debi,

it's only been a year since we've known each other. Seems longer, 'cause we know each other so well. Deb, I'm so glad that God has finally brought you out of the storm you were going through, and he's made you a beautiful christian sister. I love you very much, deb, you've helped me, & loved me, sometimes when I really needed it! I hope that God can maybe work things between you and Dave. Anyway I know God has a good future planned for you, and I know wherever you go, everyone will love you. See ya at Disneyland,

Debbie,
Well it's been a long time.
We've known each other for so
long. We had a lot of good + bad
times. I'm glad I had you in one of
my classes, it brought us closer
together. And I hope we stay that
close too. If you ever need anyone
to talk to just call me + I will
help you. and if I need help I will
call you. I just have this one thing
to say, make sure you find the
right guy before you get serious,
cause you don't ~~not~~ need to get hurt
anymore. Good-luck in the future
head.

Love in God.

Debbie -
Sure was a real
I didn't get to talk to
you that much this year. Hope
to see you this summer so you can
come swimming & see ya next year.
Love always
Jerry Magdalena

Debbie
Enjoyed having you in my senior class
you're one of my
Cyber crazy kids
Our dungeon junior almost
senior year really
meant a lot
Take care
Bye, Cindy Kilpatrick

Deb -

After that one talk that we had about our ups and downs and everything under the sun, I've felt so close to you knowing that I wasn't the only one with problems. I hope I made you feel the same way. I really love to share with you because I know we have a lot in common and most of it is the Lord!! I want you to know it all ~~ever~~ need anybody to talk to I'll always be ready to listen and help. God Bless you always.

Love Always,

Debbi,
Oh, I am really gonna miss you Deb! You are such a wonderful person and I can't tell you how happy I am to know you. I only wish I could see a lot more of you! You're such a beautiful person & you're so easily one of the few I love and always will be there.
Have a great summer + have a really great last at Disneyland next year at Kaar - Luck next year at Senior year & have a great start for your future. I'll be praying for you!

miss you!

-Debbi-

There's so much that I could write about you, Deb, but it would take a couple of pages. I'd just like to ~~say~~ tell you that your great attitude toward life has been an inspiration. Mora Bay was a lot of fun, plus a great opportunity for everyone present to grow. I hope and pray that you stay in the word, Debbi. I'm gonna miss you, in the future, but hopfully we could get together sometime. Have a great life, and I Hope the best of everything for you.

Love ya Always
and friends forever
